FIFTEEN CENTS

CAMERA FREEZES basketball in flight as Bob Dubek makes a save for Antioch in Friday's win over Grant. Dubek won the Four Squires trophy as the outstanding player of the game. No. 21 is Grant's Kevin Kelly, who quarterbacked his school to the conference football championship but met his masters in Antioch's basketball team. Stories and more pictures in sports section.

State Okays \$1,000 for Old Saw Mill

The Illinois Bicentennial Commission has approved a grant of \$1,000 to the Antioch Bicentennial Commission and the village.

The purpose of the grant is to construct a replica of the original saw and grain mill that was built on Sequoit Creek in 1839.

Matching funds of \$1,000 were immediately contributed by the Antioch 885 Club. Norm Rockow, president of the club, made the announcement. More money is being sought for the project.

"THE STATE has approved the old water-driven saw mill as a fully authenticated historical site," said William E. Brook, chairman of the Antioch Bicentennial Commission.

He said that an area on Sequoit Creek, just west of Hy. 83 will be landscaped and an exact, scaled-down replica of the old mill will be constructed there.

Research of how the saw mill looked in 1839 is now underway. Vern Thelen of Thelen Sand and Gravel said he will donate the concrete.

Walter Shepard, superintendent of public works, is in charge of the project. He is working with a committee that

includes Gene Zanfani, Jerry Rockow, Gus Costoff, Dr. Al Bucar and Steve Young.

THE LOCAL Bicentennial Commission also has announced plans for a Las Vegas night at St. Peter's social center on either Apr. 3 or 10. The Antioch Jaycees and the Viking Football League are sponsors.

The commission also received a check for \$116.25 from Irene Hahn, president of the Antioch Woman's Club. It was 50 percent of the proceeds from the club's recent Bicentennial Fair.

Other Bicentennial events being planned for the next year include a high school variety show in April and a Fourth of July parade with the possibility of a fireworks display in the evening.

This year Lake Villa had a fireworks display but Antioch didn't.

Wilton Decides Not To Campaign For Auditor Job

Antioch's mayor, Robert C. Wilton, said Tuesday that he has decided not to run for the post of Lake County auditor.

In November, Wilton had indicated he would be a candidate for the Republican nomination.

However, he said Tuesday that he has decided not to file his petitions.

"Since announcing my candidacy for auditor, personal events have transpired which would prevent me, at this time, from devoting the time necessary to conduct a successful campaign," Wilton said.

The auditor's post is a full-time job and Wilton's mayoral duties in Antioch are part-time. He also has been an Antioch businessman for 17 years.

ONE LINER

Wearing a beard doesn't necessarily mean a young man is rebelling against society. Maybe he just doesn't know how to tie a necktie.

Grade School Meeting Held Tuesday

The Antioch Grade School district's board of education was scheduled to meet Tuesday night and it was expected that a vote would be taken on the contract of Superintendent Henry Meyer.

"Consideration of the superintendent's contract and salary" was one of the items on the agenda. This newspaper went to press before the meeting began at 7:30 p.m.

There has been talk in Antioch for more than two weeks that some of the board members do not want to renew Mr. Meyer's contract. It runs until the end of the current

Bus Driver Praised

Antioch police have credited a school bus driver for an excellent job of defensive driving last week.

It was 7:45 on Monday morning when Dolores Blanchette, driving a bus full of Antioch High School students, had a slight collision with an automobile at North Ave. and Trevor Rd.

Chief Jack Wells and Lt. Tim Zelinski said that her alertness limited the accident to minor damage only.

The bus could have wound up in a ditch or hit a telephone pole if it hadn't been for Dolores' prudent and safe reactions, the police said.

The Town Crier

FELLOW DOWN the street says he'd like to claim a new record for the village of Antioch. It seems he was trying to make a left turn off Broadway onto Lake St. and it took him 47 minutes before there was an opening in the traffic.

The previous record, as we

IT'S SCOUT CALENDAR TIME AGAIN and displaying the Boy Scout and Cub Scout calendars for 1976 are, front row, left, Billy Witek, Scout Troop 92 and right, Glen Westlund of Cub Pack 192. The calendars are furnished annually by the State Bank of Antioch and distributed by Boy Scout Troop 92 and Cub Pack 192 to every boy in the Antioch area who is a member of a Scout Troop or Cub Pack. Bernie Dost, back row, left, Scoutmaster of Troop 92 is shown with Glenn Hendrickson, Asst. Cashier of the State Bank, Institutional representative for Cub Pack 192, and Milo Bailey, right, Committee Chairman for Pack 192.

Christmas Program Friday at Emmons

Emmons School will present its annual Christmas program Friday.

At 7 p.m., Mr. Edd Kramer's band will begin the entertainment with a selection of pieces appropriate to the season. This will be followed by the singing of the various grades and the chorus, under the direction of Mr. James Luder.

The evening will conclude with a one-act play, "That Christmas Feeling," done by the upper grades.

The cast and crew of the comedy, set at the turn of the century includes: Phil York, Jean Cilik, Jay Turney, Debbie Duha, Margie Noonan, Sue Dyer, Laura Dubek, Gary Becker, Nancy Blanchette, Andrea Becker, Jeannie Lindgren, Sandy Gamber, Diana

Carney, Kelly Corey, Ann Weber, Kim Anderson, Diane Karczewski, Laura DeHart, Shelly and Terry DelPeschio, Mike Kirkpatrick, and Diane Grohs.

school year.

One of the items on Tuesday night's agenda was a request from Curtis Denny for parents to present their views to the seven-member board concerning Mr. Meyer as superintendent.

Comments from the audience also were expected.

Picketing Bill Spells Disaster

By SEN. BARRY GOLDWATER

BARRY GOLDWATER

If President Ford signs the common situs picketing bill, as some officials of the Labor Department are urging, it will seriously threaten his chances to win the Republican nomination for a full term as President.

This is the thinking of some of Mr. Ford's closest friends and advisors as well as that of many Republican congressmen.

The legislation, which passed the Senate recently by a vote of 52-45, would vastly strengthen the picketing rights of all construction unions in labor disputes. It would permit a union to picket an entire construction site even if its

dispute involved only one of many subcontractors.

The common situs issue - sometimes referred to as the "secondary boycott" - has been before Congress for nearly 25 years. It grew out of a 1951 U.S. Supreme Court decision holding that a building trades union could picket only the subcontractor with whom it had a dispute and specifically ruled out attempts to close down an entire job site.

NEVER BEFORE has the common situs measure come so

close to enactment. And now that it has, industries, business, institutions and all groups who do extensive building are beginning to sound alarms.

In my own state, one

institution of higher learning wants and desperately needs to add to its educational facilities. But it recently advised me that if the secondary boycott proposal becomes law, it will defer its plans because it would lack the assurance that they could ever be completed.

If the thinking of this one prospective builder is multiplied many times over, the cost of capital expenditures deferred (and the new jobs they would create) would be disastrous to economic recovery.

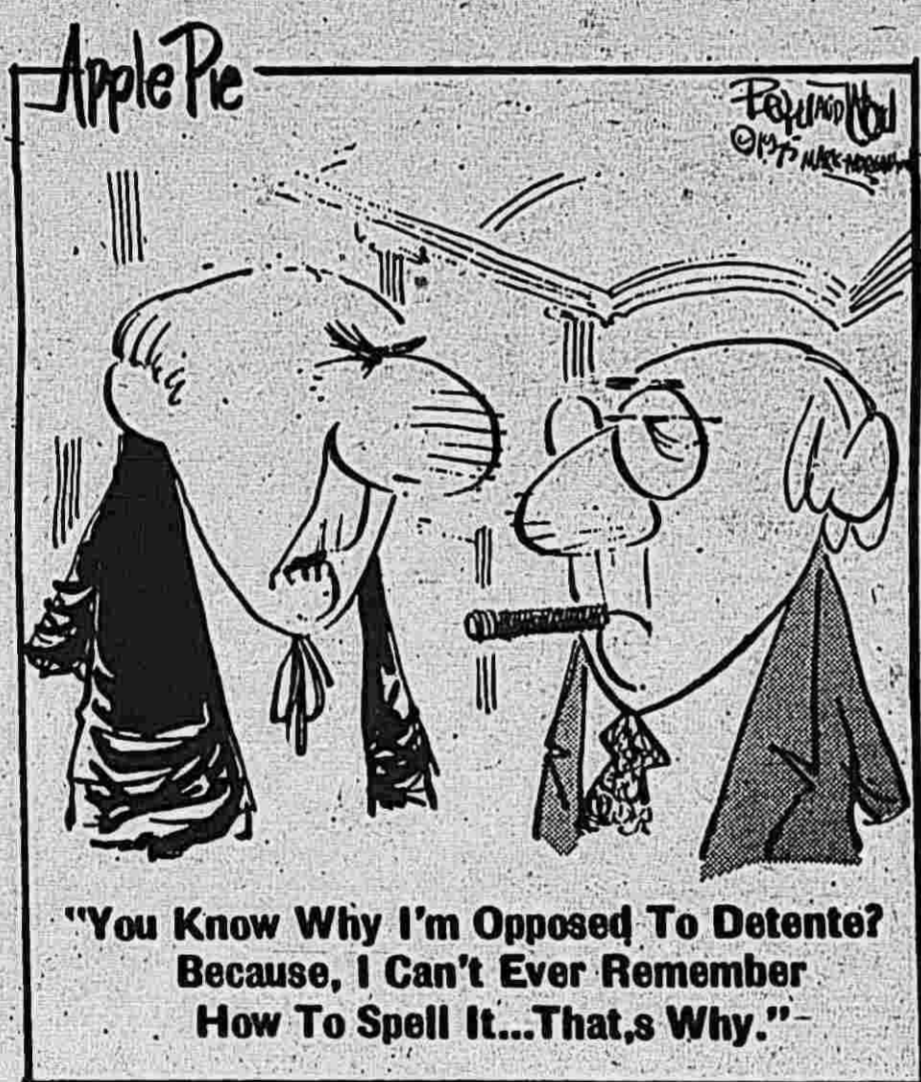

It is to be hoped that President Ford will pay close attention to what his economic advisors tell him on this measure. Its consequences could cut across the whole spectrum of our national life.

England's Ahead On Electric Cars

An estimated 1,000 Americans commute to work in electric cars, and some experts predict 20 per cent of car sales could go to electrics by the end of the century. In England, about 70,000 electric cars and trucks are already on the road.

Estimates by the Energy Research and Development Agency show that a fleet of 18 million electric cars by the year 2000 would save about 740,000 barrels of oil a day.

A 60-watt bulb burns for 17 hours for the same money it takes to light a 100-watt bulb for 10 hours.

Music Shop Bigger Now

Guess what has arrived in Antioch?

Santa, of course, but something almost just as good.

The music shop, also known as "Tones and Notes" at 391 Lake St., has changed its "face" and expanded its arcade for teenagers.

Owners Ray and Helen Nowak, and young Ray, still feature "jams" for the teenagers but, Helen says:

"Dad still insists on the old foggy music now and then."

They have invited "moms and

dads of Antioch and the surrounding area to come in with the kids and have a little family fun."

"Try out screwball game," said Helen. "Browse and check out our inventory, guitars and accessories. Also the latest records and tapes with prices that can't be beat."

The music shop also specializes in instrument repairs, tape and cassette carrying cases, strobe lights and ... well, stop in and see. They'd like to meet you all.

But we have the largest paid circulation of any newspaper in Antioch village and township.

People pay money to read

The Antioch News

Zoning Hearing Here Friday

A public hearing on a request to rezone property in Antioch Township from agricultural to suburban residential zone will be held at 1:30 p.m. Friday in the Antioch Village Hall, 874 Main St.

Eugene A. Wagner and JoAnn Wagner have requested the rezoning for property located on the south side of Silver Lake Road at its intersection with Center Drive in the township.

The hearing will be conducted by the Lake County Zoning Board of Appeals.

Fire Safety Guide Lists Precautions

Homeowners and other concerned citizens may now obtain a new guide to fire prevention and home safety, designed as a practical weapon for combating the more than three-quarters of a million house fires that plague this nation annually.

Entitled "Home Guide to Firesafety & Security," the new 55-page illustrated booklet is a product of Factory Mutual Engineering and Research Corporation which specializes in industrial fire- and property-protection research.

The guide is organized into sections covering all major home hazard areas, from basement and kitchen to attic and roof.

Other subjects covered include family planning for meeting fire-caused emergencies, and selection of fire extinguishers and fire alarms.

The booklet is available for \$1 from Factory Mutual System, P.O. Box 1550, New York, NY 10001.

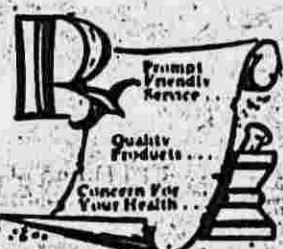

"One hospital refers to its auto accident cases as its bumper crop."

CONCERT ON SUNDAY

High School Choir Produces Record Album

The a cappella choir of Antioch High School, celebrating the Christmas season, has produced a stereo record album of familiar Christmas music.

Through cooperation with Delta records and the Antioch Methodist Church, the album is available to the community at Antioch Drugs in the Plaza and other stores for \$5.

The 1975 Christmas concert, featuring the high school band and choir, will be presented at the high school auditorium on Sunday at 3 p.m.

Fewer Young Men See College Ahead

The proportion of male high school seniors with any plans, definite or indefinite, to attend college decreased between 1972 and 1974, according to a report by the Census Bureau.

The report shows that only 69 percent of the male high school seniors interviewed in October 1974 had any plans to attend college, compared to 76 per cent in October 1972. About 41 per cent of the young men had definite plans to attend college, down from 46 per cent in 1972.

A Bright Note

A recent study of American families showed that 62 per cent feel they have the same or a better standard of living as last year. The study was conducted by Yankelovich, Skelly and White, Inc. and financed by General Mills.

Agricultural Options

"If we are to continue to provide farmers the opportunity to use all their production resources at peak efficiency, we must seek every opportunity to continue to expand our export trade. To do otherwise will move us back into a situation of trying to reduce agricultural production in this country. And none of the methods we have tried has been very successful. There is no better or surer way to encourage agricultural production than through the profit motive. Farmers must be permitted to sell whatever they produce wherever they can sell it at the best price."

—Earl Butz
Secretary of Agriculture

The program will be divided into two parts. The concert and symphonic bands, under the direction of Mr. John Olisar, will present the first half of the evening's concert. They will play traditional Christmas music and a variety of concert selections.

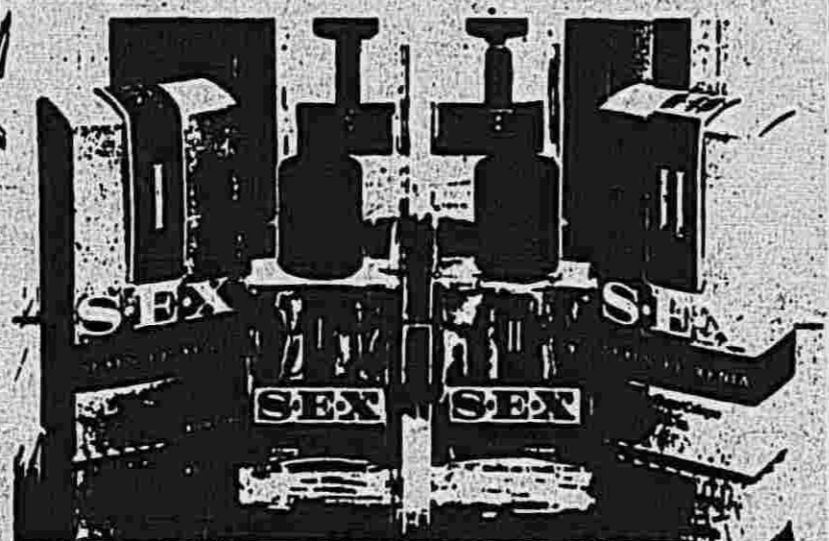

The second half of the concert will be given by the vocal

department's Freshmen Girls' chorus, the cappella choir, all school choir and swing choir, under the direction of Mr. Ralph Brooke. All the choirs will sing traditional as well as contemporary Christmas music.

Tickets are on sale from members of the bands and choirs and also will be available at the door - \$1.50 for adults and 75 cents for students.

Eastern Star Installs Officers

Antioch Chapter No. 428 of the Eastern Star held its installation of officers at the United Methodist Church.

The following officers were installed:

Frieda Kersten, worthy matron; Joseph Parfitt, worthy patron; Shirley Hinkle, associate matron; Lawrence Gilo, associate patron; Patricia Polsgrove, secretary; Alice Hinkle, treasurer; Mary Bru-

ski, conductress; Darlene Shaffer, associate conductress; Sophie Schabow, chaplain; Betty Vanderkloot, marshal; and Marie Furman, organist.

Also Erna Fridell, Adah; Agnes Lunsford, Ruth; Hazel Parfitt, Esther; Mildred Gillum, Martha; Jane DeVore, electa; Herbert Pauli, warder;

Henry Furman, sentinel; Wesley Gillum, color bearer, and Sophie Schabow, instructress.

Officers were installed by the worthy grand matron of the Order of the Eastern Star of Illinois Dawn Walsh. Chapter 428 will have its next meeting Thursday, a Christmas party and gift exchange.

Chain of Lakes Group To Meet

The next regular meeting of the Chain of Lakes-Fox River Commission will be held Friday at the McHenry City Hall, in the city council chambers at 1:30 p.m.

In the Christmas tradition

THE GOLDEN OCHS restaurant will celebrate its first anniversary Saturday and Sunday nights with live entertainment. Hermann and Katharine Ochs have created a delightful atmosphere and serve delicious food at their restaurant and bar just south of Antioch on Hy. 83.

Along the way with ANNIE MAE

Hear tell that members of the Antioch Lions Club had a lovely Christmas party Monday night at Lorenz's Smart Country House.

The meal was fantastic and

the entertainment almost as good.

Santa Claus, bearing a striking resemblance to one of our village trustees, dropped in and distributed appropriate gifts.

Favors included styrofoam eggs, distributed by Irv Carey.

We understand that lots of the party-goers went home with chicken feathers on their clothes and birdseed in their hair. Can't understand how that could happen at such a dignified event.

ANTIOCH POLICE "raided" the party and arrested Gene Zannini. He was handcuffed and taken off to jail.

On what grounds? (Why at Lorenz's Smart Country House, where else?)

Tuesday morning Mr. Zannini said he was shocked that his duck hunting partner, Chief Jack Wells, would inflict "police brutality" on one of his best pals.

Gene said he would be seeing

his attorney, Ted Larson, and probably sue for false arrest.

IN THE newspaper business you get many, many brickbats and few bouquets, so it really brightened our day yesterday when we received that thoughtful card from The Hunleys - Joe, Valerie, Pam, Robin and Bob.

IPSEN CLEANERS, on Lake St., celebrated their first anniversary yesterday. How time flies! It seems like only yesterday that Lee and Gert Ipsen opened their attractive business establishment. Gert's pal, Jeanette Lenczowski, surprised her with a cake to celebrate the anniversary.

Happy birthday to Mark Stewart, who was 4 yesterday. Mark celebrated along with his Grandma Stewart, who also had a birthday.

Hank Apostol celebrates this Friday, and Betty Haley receives our birthday wishes for

BRINGS YOU

THE OLD FARMER'S ALMANAC

DEC. 15-21, 1975

Take a book to a warm nook.

Write that letter to an old friend now ... Napoleon divorced Josephine Dec. 15, 1809 ... Full moon Dec. 18 ... Shortest days and longest nights now ... Average length of days for the week, 9 hours, 3 minutes ... Ben Franklin's "Poor Richard, An Almanack" first published Dec. 19, 1732 ... Missouri earthquake Dec. 16, 1811 ... First radio message Dec. 20, 1902 ... There's nothing ill said that's not ill-taken.

Old Farmer's Riddle: Everything has an end, but what has two? (Answer below.)

Ask the Old Farmer: I have just finished a chair-caning class and I am wondering, why did anyone cane a chair in the first place? D.A., Athens, Alabama.

The "rush-bottomed" chair was used in Europe long ago, because people couldn't afford to buy lumber for wooden chair seats, or leather either, still they appreciated a comfortable seat.

Home Hints: A pancake turner is just the thing to slide sandwiches into plastic sandwich bags. It keeps sandwiches with soft fillings from falling apart ... Riddle answer: A sausage.

OLD FARMER'S WEATHER FORECASTS

New England: Week begins with storm ending, then clearing; rain, some snow inland latter part, but storm abating by weekend and turning fair.

Greater New York-New Jersey: Early week raw, then some heavy rain and unseasonably warm; end of week cloudy and cold, rain by week's end.

Middle Atlantic Coastal: Cloudy and cold to start, then moderate rain and warmer; partly clear and cold latter part, with rain in south and snow in north and west by week's end.

Piedmont & Southeast Coastal: Clearing and unseasonably cold at first, then some rain; sunny and cool latter part, then light rain except heavier on the coast.

Florida: Week begins with scattered rain in central and north, continuing cool through midweek; clear and frosty in central and north latter part, rain by week's end.

Upstate N.Y.-Toronto & Montreal: Scattered rain or snow all week, especially heavy in mountains.

Greater Ohio Valley: Clear and very cold at first, then some rain or snow; temperatures normal latter part, with rain in south and rain mixed with snow in north and east.

Deep South: Week begins partly cloudy and cold, then rain, light in west, heavier in east and northeast; still rainy latter part, but scattered in southeast.

Chicago & Southern Great Lakes: Early week clear and sunny, then some snow; latter part cloudy; with light freezing drizzle.

Northern Great Lakes: First part of week cooler and snowy; week ends sunny and mild, some flurries in central and east.

Central Great Plains: Early week cold with scattered light rain and snow, but clearing and milder in west and south; end of week sunny and cold, with scattered light rain and snow in eastern sections.

Texas-Oklahoma: Partly cloudy and cold in central and north, very cool in south through midweek; rainy and cold latter part.

Rocky Mountain: First part of week colder and partly sunny with intermittent snow; continuing clear and cold latter part, some snow in north by week's end.

Southwest Desert: Gradually becoming partly cloudy and cool with scattered light showers at first; week ends clear and cool in west, scattered light showers and cold in east.

Pacific Northwest: Cloudy at first, then general rain by midweek except for snow in mountains; sunny latter part, but rainy and cold by weekend, still snow in mountains.

California: Generally rainy, except for snow in mountains, through midweek; latter part clearing, mild in south and frost in north.

The Antioch Grade School Senior Band

Grade School Christmas Concert Set

The Antioch Grade School Band will present its Christmas concert on Saturday, beginning at 7:30 p.m.

The event will be held at the Upper Grade School gymnasium and is free to the public.

All five of the grade school bands will perform ... a total of 360 young musicians.

The program includes the 105-piece 4th grade band, the 5th grade band, the 85-member Upper Grade beginners' band,

the Upper Grade junior band and the Upper Grade senior band.

Directors are Lawrence Wagner of the Upper Grade School and Sharon Higus of the Lower Grade School.

The Upper Grade art department, directed by Miss Kathy Craner, will decorate the gym.

Traditional Christmas music will be played for about an hour. It will range from the

beginners' simplified rendition of "Jingle Bells" to the senior bands' more difficult selections such as "Christmas Round the World." About 25 numbers are on the program.

people in the news

An official at Homestead Air Force Base in Florida has announced the promotion of James Anderson to airman first class.

Airman Anderson, son of Mr. and Mrs. Charles L. Anderson of Antioch, is a radar navigation equipment repairman with a unit of the Tactical Air Command. He is a 1974 graduate of Antioch High School.

HONOLULU - The U.S. Air Force has promoted John Sobieski, son of Mr. and Mrs. Edward J. Sobieski of 405 Cedar Crest Lane, Lake Villa, to the rank of sergeant.

Sergeant Sobieski, a security police specialist, is serving at Hickam AFB, Hawaii.

A 1971 graduate of Antioch High School, John attended the College of Lake County.

THREE LOCAL people are members of the College of Lake County's Community Chorus, which will participate in Sunday's 4 p.m. Christmas Choral Concert at the college. They are Joyce Woods and Wayne Sobczak of Antioch and Duke Harper of Lake Villa. The seventh annual concert also will feature the CLC Singers.

The program is free and open to the public and, according to Warren Simpkins, CLC music director, "offers a short, enjoyable afternoon of Christmas music for the community."

MARK POLSON, son of Mr. and Mrs. Ronald Polson, Rt. 2, Antioch, is enrolled at the University of Wisconsin at River Falls.

The River Falls campus has its largest enrollment in history this year, a total of 4,433 students.

One more weekend remains to see "The Golden Grotto" at Antioch's PM&L Theatre. If you let this show go by without seeing it, you will definitely be missing a chance to hear and see magical theatrical effects, lovely costumes and an excellent group of actors.

Tom Hausman does a marvelous job as the "Great Zauberfinger" the wizard. It takes only a few moments to learn this wizard is anything but

great. But Tom will help you to love the old "Bumbler."

Times for performances are

8:30 p.m. on Friday and Saturday. Call 395-3055 for reservations.

New Box Speeds Mail Delivery

There is new collection box for Antioch mail in front of the post office.

If you mail your Antioch mail in that box the postal workers will cancel it and distribute it

here the next day. Since this mail will not be sent out of town, it will be guaranteed next day delivery.

Antioch mail may also be

placed in the Antioch slot in the right side of the stamp window inside the office from 8 a.m. to 5 p.m. This Antioch mail will also be guaranteed next day delivery.

Editorial

Please, Return the Purse

You'd like to think this couldn't happen in Antioch, but a young woman had her purse stolen from her car last Friday.

She parked outside a nursery school at 5 p.m., went in to get her son, and was back in her car within 10 minutes.

She had left the door on the driver's side unlocked and, in that 10 minutes, someone opened the door and snatched her purse from the front seat.

Inside there was some money she had been saving (\$5 a week) so her two sons could have a nice Christmas. She doesn't expect to get the money back, but she certainly would appreciate it if the thief would return the brown, leather purse. It contains valuable papers, cards and photographs that could be of no interest to anyone else, but very important to the young woman.

He could drop the purse at the door of the nursery school, or outside the police station, and run. He could put it in the Antioch News Mailbox, too, and we'd see that it was returned to the owner.

Maybe the thief, now that he or she has spoiled someone's Christmas, would like to do something decent to atone for it. Please, return the purse.

Santa To Pose With Children At State Bank

The State Bank of Antioch has once again made special arrangements with Santa and he will be visiting with children in the bank lobby this Saturday, and also on Saturday, Dec. 20, from 9 a.m. to 12 noon and from 1 p.m. to 3 p.m.

Instant pictures of the children with Santa will be

taken and will be given to the parents immediately in an attractive frame, compliments of the State Bank.

This popular Christmas time, free picture-taking service is an annual event now in its 15th year. In previous years, as many as 2,000 children have had their pictures taken at the bank with Santa.

her day, which is coming up Saturday.

The Antioch Methodist Men will have their Christmas smorgasbord Saturday in Wesley hall from 5 to 8 p.m.

Tickets are being sold at the local financial institutions. The cost is \$3.50 for adults and \$1.75 for children under 12.

This is an outstanding event and we suggest you make plans to attend if at all possible.

SORRY, BUT we have to tell it the way it is.

There are a lot of Antioch and Lake Villa people who are upset by late-at-night snowmobile noise.

Obviously, there are two breeds of snowmobilers, just as there are different breeds of motorcyclists, boaters or what have you.

The snowmobilers who ride around your home at night, making noise and keeping you and your kids awake... they should be dealt with.

And people keep telling us they'd like to silence them. Not necessarily by peaceful means, either.

Please, Folks, Clear Snow From Mailbox

Now that the snow season is here, Walter Barnas, Antioch's postmaster, is asking residents to clear away the snow from

their mailboxes so that carriers are able to deliver mail.

"Your carrier will not deliver if the snow has not been cleared

away, or if any other objects block his path approaching and leaving your mailbox," Mr. Barnas said.

'Streetcar Named Desire' Next for PM&L

Antioch's PM&L Theater will hold tryouts for "A Streetcar Named Desire", on Saturday from 2 to 4 p.m. and Sunday from 7:30 to 9:30 p.m.

The play calls for three main women characters and four main parts for men. There also are several small supporting and walk-on roles.

The play will be presented Feb. 14, 20, 21, 27 and 28. The director is Thomas Hausman.

The silkworm is not a worm

DOMESTIC AND INTERNATIONAL

ABC's of Travel

By BARB CORBIN

Once again the holidays are upon us and following are a few helpful hints for those of you who will be traveling or have family members traveling.

We still have our airport security, so allow extra time (one hour prior to departure) for arrival at the airport. Remember, anyone who must wear metal orthopedic devices should be sure to get a letter from his doctor/physician confirming the metal and have it with him at all times. The metal screening device will pick this up right away and the delay could cause you to miss your flight.

Also, all wrapped Christmas gifts should be checked in with your luggage. If you carry them on, those beautifully wrapped gifts will have to be opened for inspection. The security guard will NOT take your word for it.

Screening is done by a magnetic type device; electricity is NOT used so heart pacemakers or other electrical devices will NOT be altered. The Federal Aviation Administration has established stringent requirements for the screening of airline passengers for your own benefit, so please co-operate by using the above hints and this way you will get to your departure gate a lot quicker.

For any of you who are to pick up family at O'Hare on the 20th through the 24th; it might be wise not to leave home until they arrive at the airport. Have them call you from a phone right where they deplane and by the time you drive in, they will have gotten their luggage and be in the lower level waiting for you. Parking will be a problem as O'Hare is the busiest airport in the world. I know what a mess it can be, I have been doing it myself since O'Hare opened up, and I know my way around. Happy Holidays!

Barb Corbin

"Mom felt a chill . . ."

Yuletide Tips

ENTERTAINING IDEAS
A favorite holiday tradition of Europe is opening doors here: bell pull decorations that dramatize your doorway.

You can create one easily and quickly by gluing strips of red, white and green cotton cloth or felt together, and decorating it with gold braid and jingle bells.

Sew a set of matching mats for the holiday table, by cutting the sturdy, washable cotton into star shapes, also trimmed with braid.

Gifts They'll Remember

There's no special gift to giving gifts that are special, if you give some thought to these suggestions:

1. Buy for the person you're giving to, not for yourself. Just because you like something doesn't mean everyone will.

2. Practical presents are the biggest luxury. Give gifts that give pleasure but don't require great care.

3. Quality is more appreciated than quantity.

For a neat school locker organizer, cut the back pockets off an old pair of jeans and tape to locker door. They can hold pens, pencils, money, lunch tickets, passes and such.

Selling Your Home Calls For Cleanup

When you show your home to prospective buyers, you want it to look as attractive as possible. The following tips will help.

- Remove all unnecessary articles from your basement and attic. Strive for an uncluttered look. If necessary, brighten dark basement walls with a coat of paint.

- Arrange bedrooms so they look as large as possible. Remove excess furniture and use freshly laundered curtains.

- Kitchens and bathrooms are showcase areas for cleanliness. Check and repair caulking in bathtubs and showers, and make sure these rooms sparkle.

- When showing your home, avoid having too many people present. The potential buyer will feel like an intruder and will hurry through the house. Keep pets out of the way.

Even the Lone Ranger had someone

"A lot of people are smarter than they look—and that's reassuring."

Sr. Citizens Get Tax Help Saturday

THE TRAINING SESSION and distribution of forms that senior citizens will need for tax relief was held at Antioch Community High School. Teachers and administrators of local schools will be at the Upper Grade School from 9 a.m. to 3 p.m. on Saturday to assist retired or disabled persons in completing the forms. From left: Dr. Gene Paulausky, superintendent of Grass Lake School; Elaine Palm of the First National Bank; John Kakacek, superintendent of Emmons School; Jordan Canzone from the state Department of Revenue, and Roger Alm math teacher at the high school.

As in past years the teachers and administrators from Antioch High School and the grade schools within the high school boundary lines are setting aside a day to give assistance to senior citizens and disabled persons in completing the forms necessary for getting a property tax refund or rent refund from the state.

The bill has been improved over last year. This year every citizen who was 65 years old on or before Jan. 1, 1975, will get some refund, providing the gross income of the husband and wife was under \$10,000 in 1974.

Jordan Canzone from the state office has conducted a workshop with teachers, administrators and personnel from the local financial institutions. Retired or disabled persons may get forms and

PREPARING TO HELP senior citizens and disabled persons complete the forms necessary for property tax refunds or rent refunds from the state are (from left) Don Jackson and Robert Vorel of the Antioch Savings & Loan Association, Elaine Palm of the First National Bank of Antioch, Jordan Canzone of the Illinois Department of Revenue, and Dick Daniel of the State Bank of Antioch.

FROM LEFT: Robert Vorel of the Antioch Savings and Loan Association, Douglas Johnson and Joanne O'Connell, business teachers at the high school, Jordan Canzone, and Eugene Lischewski, math teacher at the high school.

Tax Help

Continued from page 14

assistance from the First National Bank of Antioch, State Bank of Antioch, Antioch Savings & Loan, and Lake Villa Trust Savings.

On Saturday, people from the different schools will be at the Antioch Upper Grade School from 9 a.m. to 3 p.m. to assist the retired or disabled in completing the forms. Those coming in for assistance should know what their income was for 1974, and the amount of property taxes paid this year, or the amount of their rent for 1974.

Those retired couples with an income under \$10,000, and whose property tax is more than 4 percent of their income will qualify for a tax refund.

Renters with an income of under \$10,000 will qualify if their annual rent is more than 16 percent of their income.

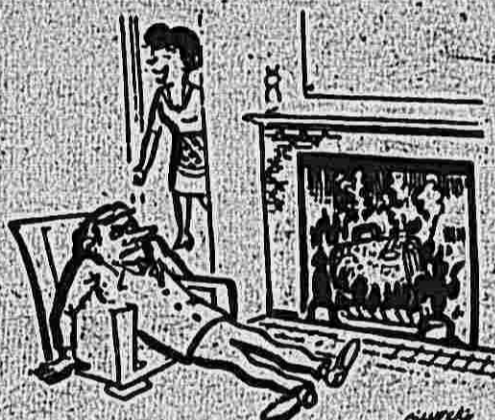

Those who were eligible for refund for 1972 and 1973 may still apply for a refund for those years, if they have not done so. The legislative bill making these refunds possible is sometimes confused with the Homestead Act. The two are entirely separate. The application for the property tax or rent refund must be made separate from the application for the Homestead Act.

The Chain of Lakes Senior Services is co-operating by furnishing round-trip transportation to the Antioch Upper Grade School for 50 cents. Those needing transportation should call by Friday, at 395-5161 or 395-5162.

Decorating the tree began over 1000 years ago and has persevered as a special Christmas custom.

That favorite entertainment, living in what is now Germany, convinced them they should stop pagan worship of the oak tree and instead adorn fir trees in their homes in tribute to the Christ Child.

Antioch's 7-Point Win Was No Secret

Antioch's Sequoits beat Grant's Bulldogs 53-46 last Friday in the season's first high school basketball game here. A 7-point victory for Antioch. And it was predicted by exactly

seven fans participating in the Antioch News' basketball contest.

Guessing in advance that the Sequoits would win by 7 points were:

Rodger Kruse, Ellen Gall, Ron Gossman, George Boyd, Steve Lasco, Bruce Tossey and Kathy Hofmann.

To determine the prize winners, once again we had to use the tie-breaker, which last week was Antioch's sophomore game.

Antioch's sophs won by 16 points. Rodger Kruse and Ellen Gall came closest, each predicting the sophs would win by 11.

FIRST PRIZE was \$15 in cash from Antioch Firestone and second prize was a \$10 gift certificate at Andre's Steak House in Richmond.

So we'll have to divide those prizes between Rodger and Ellen. Each will receive \$7.50 in cash from Antioch Firestone and each will receive a \$5 gift certificate from Andre's.

Ron Gossman earned third prize, a \$5 gift certificate at the Piggy Bank Discount Store, by predicting that the sophs would win by 10. The other four predicted closer point spreads for the sophomore game.

Two of those who correctly forecast the varsity's 7-point victory, Steve Lasco and Bruce Tossey, were prize winners just a week ago. Steve won a \$10 gift certificate and Bruce a \$5 gift certificate.

SO THE competition is hot and heavy. The challenge this week is to forecast the outcome of Antioch's Friday night game at Grayslake. The tie-breaker is Saturday night's varsity game at McHenry.

Be sure and fill out the coupon on the basketball contest page and get it to our office, or postmarked, by 5 p.m. Friday.

Sequoit Frosh Lose Opener

Antioch's freshmen opened their basketball season on a sour note as they dropped a 49 to 37 verdict to Grant. It was the fourth game for the visiting Bulldogs who are now 3-1.

The game started slowly with Grant taking a small lead. By the second quarter Grant's game experience began to show as the Bulldogs got their shuffle offense working. Antioch still suffered from first game jitters. Grant padded its lead in the third quarter as it capitalized on Antioch mistakes.

However, the young Sequoits came back strong in the last period to outpoint the visitors

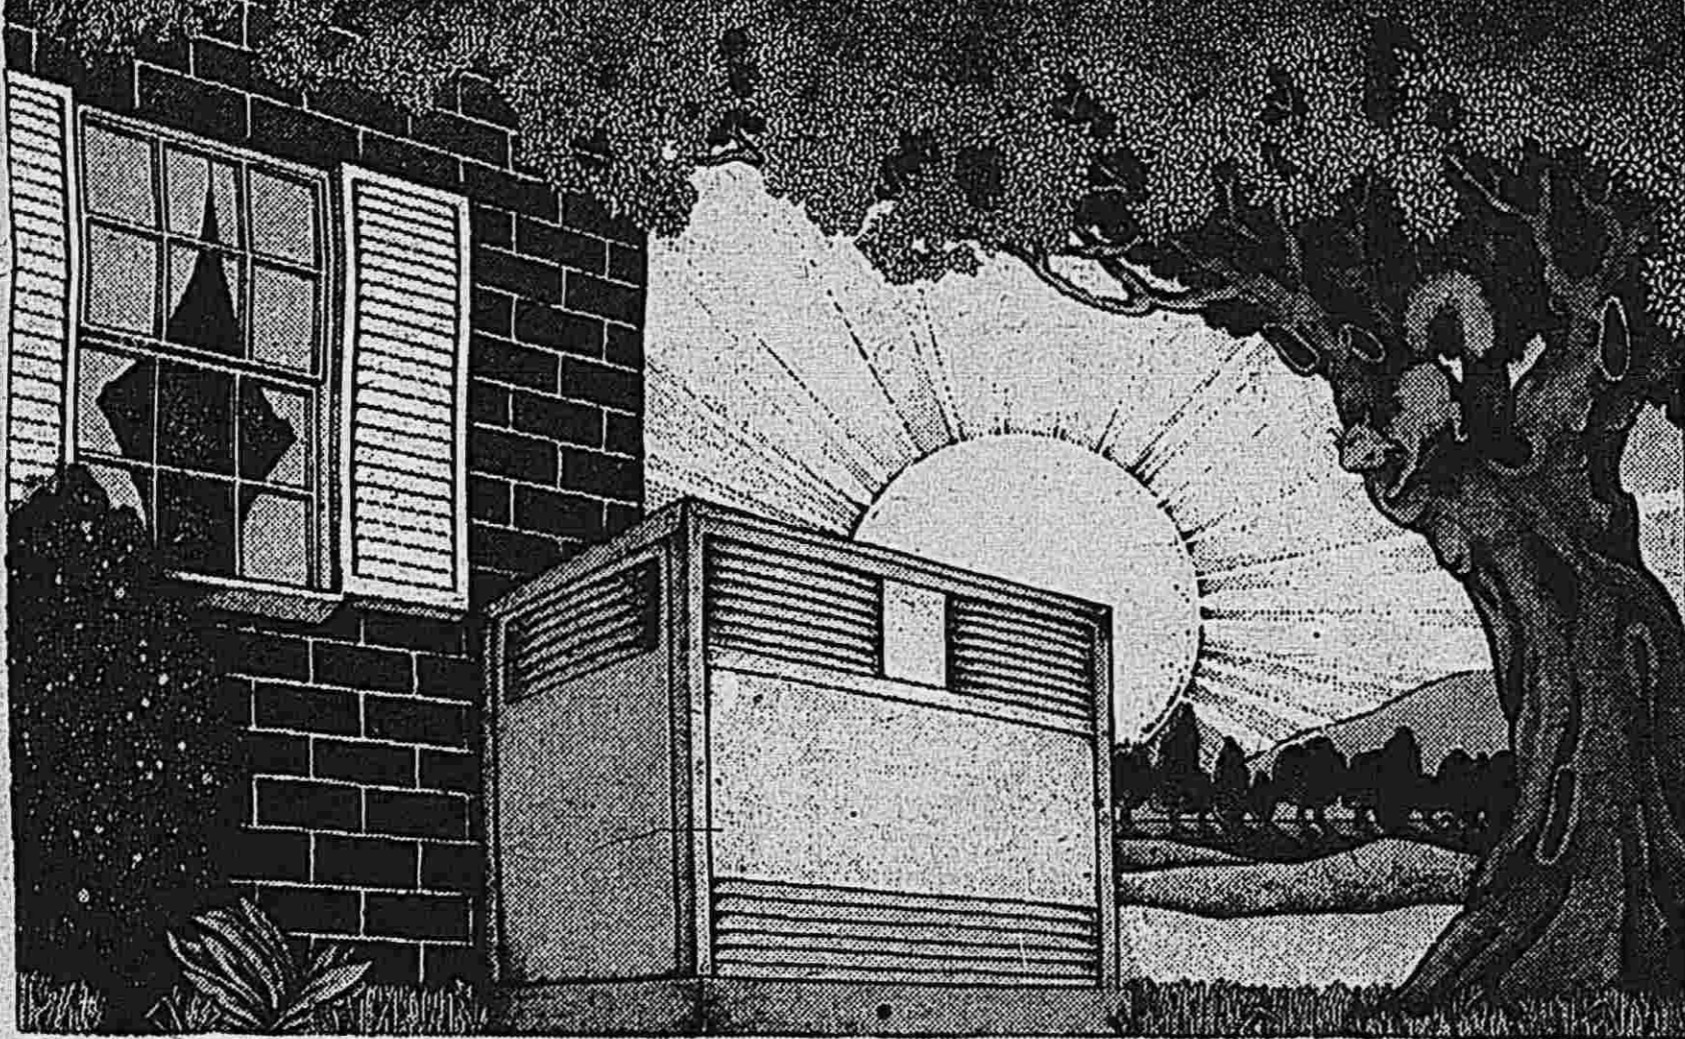

18 to 9.

Coach Norm Hahn expressed some disappointment with the rebounding and turnovers of his charges. Grant outrebounded the home team 37 to 27 and Antioch led in turnovers 25 to 14. Poor free throw shooting was another problem as the young Sequoits hit only 11 of 27 gifters.

The Frosh "B" team atoned for part of the defeat as they crushed Grant 47 to 29. At one time Antioch led 40 to 10. Every player saw action against Grant. Highest scorer for the "B" team had 6 points.

The next game for the Frosh is at Grayslake Saturday at 9 a.m.

THE HEAT PUMP

A new era in home climate control begins

About forty-five years ago, scientists began developing a revolutionary heating device that uses the heat of the earth's atmosphere. They called it a heat pump. Today, it is the only commercially available heating system that provides an answer to shrinking supplies of fuel oil and gas.

How the heat pump works.

Basically, the heat pump moves heat from one place to another. Using electricity to run the device, it extracts heat from a limitless source—the heat in outdoor air. During winter, enough heat remains in the air—even on the coldest and cloudiest days—to be extracted by the pump and transferred indoors as clean, flameless heat. And during warm weather, the process automatically reverses, removing excess indoor heat and humidity—like an air conditioner.

Better efficiency.

In short, the heat pump does the job of both a furnace and an air conditioner. But there's an important difference. The heat pump produces more than 11½ units of heat energy for every unit it consumes. That's better efficiency than any other current heating system.

It's ready.

It's ideal for new homes because it won't be obsolete in ten years. It's not dependent on the fossil fuels that may not be available in the future. To the homeowner, that means significant long-term savings on heating costs.

The heat pump is a big step in the conservation of scarce fuels. And here in northern Illinois, the electricity you would use to capture the heat comes mainly from coal and nuclear energy, rather than scarce oil and gas.

To get the full advantages of the heat pump, it's important to get a quality product, properly installed and reliably serviced. For the name of qualified installers in your area, call G. W. Berkheimer (Westinghouse Distrs.), (312) 374-4411, or General Electric Co., (312) 496-6356. If you want additional heat pump information, call your local Commonwealth Edison office and talk to our marketing engineer.

Cutting Government Is One Man's Idea For Bicentennial

Walter Campbell, consulting editor of *Industry Week*, has an unusual idea for celebrating the Bicentennial.

In an editorial in that magazine, he suggests reaffirming the Declaration of Independence—"not against a foreign despot, but against a domestic government that far exceeds what that government was intended to be or needs to be."

"It will require extreme pressure on Congress . . . and pinching the monstrous pipeline of public monies that flow to too many bureaus and too many programs," he noted, but "should we be able to return a reasonable government to the people, we certainly would have something to celebrate."

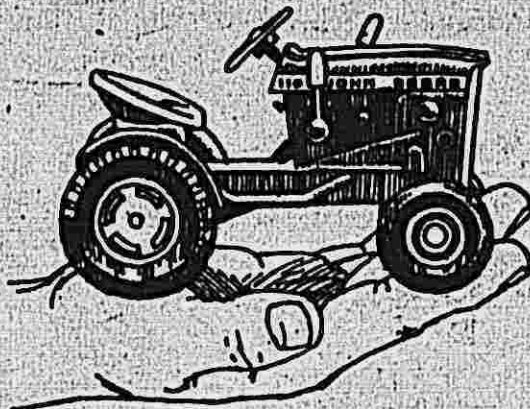

Snow Tire Tip

True or false? Snow tires give extra braking capability on ice and snow.

Partly true, says the National Safety Council. They give extra braking on loosely-packed snow but provide no benefits on ice.

It used to be that a man who saved his money was called a miser. Now he's known as a genius.

Woman's Club Has Christmas Party

By FLORENCE PEDERSEN

The Antioch Woman's Club held its annual Christmas Party at the First National Bank's community room.

Hostess Mrs. William Wilton and her committee: Mesdames William Brook, James Hamlin, Philip Cirone, Henry Harkensee, Walter Miller, Alfred Pedersen and Henry Ruck served a delicious variety of potluck dishes which were brought by all the ladies.

The Swing Choir of the Antioch Community High School entertained with their renditions of two Christmas songs. They were followed by a visit from a charming Santa (Gerri Olsen) who passed out Christmas gifts.

All present received Santa

candles from the State Bank of Antioch, note folders and pens from The First National Bank of Antioch, and desk calendars from LaVergne Newton of William E. Petty Realty Co.

The Woman's Club will meet again on Monday, Jan. 19. A business meeting will be held prior to the regular meeting. The program will be "Taking Care of Plants" by Lasco Florists.

"Good Grief! We're Being Held In Contempt Of Henry Kissinger!"

Northern Illinois Gas Sponsors 'Drummer Boy'

"The Little Drummer Boy," a children's Christmas classic, will have its eighth telecast at 6 p.m. Sunday on NBC-TV.

The animated yuletide musical featuring the off-camera voices of Greer Garson, Jose Ferrer, Teddy Eccles and the Vienna Boys Choir will again be sponsored locally by Northern Illinois Gas Company.

Miss Garson narrates the story of a boy in Biblical times who, orphaned by bandits, lives only for his animals - a lamb, a camel and a donkey.

The Vienna Boys Choir sings the title song as well as an original Christmas piece written for the program, "One Star in the Night."

My Neighbors

Senior Class Plans Formal

The senior class of Antioch High School is planning its annual Christmas formal dance from 8 to 11 p.m. on Sunday, Dec. 21.

The students have titled the dance, "White Christmas," and are inviting members of the community to join them as they listen and dance to the music of "The Versailles."

The band played recently at Antioch Country Club and entertains persons of all ages with its selections.

Tickets for the Dec. 21 event will be available at the high school's general office after Friday. They cost \$3 a couple.

BRINGS YOU

**Astro-
Analysis**

By Sonia

ARIES March 21 - April 19] — As a new trend sets in you may become more philosophical; seeking answers and gaining new insight are your main objectives.

TAURUS [April 20 - May 20] — Gains come through others who offer their willingness to lighten your work load. You get along well with associates now so make good use of a harmonious atmosphere.

GEMINI [May 21 - June 21] — You take romance more seriously than usual, but don't forget the accent is also on outside events. Activities tend to be more in the public eye now.

CANCER [June 22 - July 21] — Your sense of security may be shaken as sudden and unexpected events take place. Learn to enjoy the excitement of a changing routine.

LEO [July 22 - August 21] — As more responsibility is placed on your shoulders you tend to view things in a different light. Doing an efficient job is good, but don't get too bogged down.

VIRGO [August 22 - September 22] — Your communicative talents can put you ahead in business; you have an additional edge over competitors as you have the ability to present a clear picture of your ideas.

LIBRA [September 23 - October 22] — You have more influence on others than usual, use it to gain the cooperation you need to get around those obstacles. As good aspects prevail work on building more security.

SCORPIO [October 23 - November 21] — Some of your actions may be a bit too way out for others to follow but those eccentric ideas can pay off! Do try to think things out before accepting another challenge.

SAGITTARIUS [November 22 - December 20] — It's easy to become confused about those goals; take some time to look at personal aims as objectively as possible. You have the capacity to get ahead.

THIS WEEK ONLY

10% DISCOUNT TO ANY
CAPRICORN

CAPRICORN [December 21 - January 20] — Don't allow outside pressure from others to cause temper flare ups. Working on charitable causes offers a good outlet; you do your best on your own.

AQUARIUS [January 21 - February 19] — Being able to communicate with superiors is important; don't hold things which annoy you back. Practice diplomacy — speak your mind but use tact.

PISCES [February 20 - March 20] — Although varied duties must be taken care of, try not to spread your activities too thin. Think more about your own personal needs and tend to first things first.

STATE OF ILLINOIS)
COUNTY OF LAKE) SS

I, Terence A. Tucker, hereby certify that I am County Treasurer and ex-officio County Collector of the County of Lake, in the State of Illinois, and as such the keeper of the records of said office and that the foregoing is a list of delinquent lands and lots upon which taxes remain unpaid and due for the year or years of 1910 through 1974 both inclusive together with the owner's name, if known, and the amount of tax due thereon.

Dated at Waukegan, Lake County, Illinois, this 1st day of December A.D., 1975.

TERENCE A. TUCKER
COUNTY TREASURER AND
EX-OFFICIO
COUNTY COLLECTOR

Photography Help, Washington Film Will Add to Bicentennial in Capital

Visitors to the nation's capital next summer will find not just the monument on the Washington Monument grounds, but also a new struc-

ture.

Anticipating about 17 million tourists in Washington for the Bicentennial, the National Park Service and the Eastman

Kodak Company are working together to construct a temporary Visitor Orientation Facility near the monument.

According to the *Bicentennial Times*, the facility will contain a 300-seat movie theatre, which will present free daily continuous showings of "Washington the Man." This is a

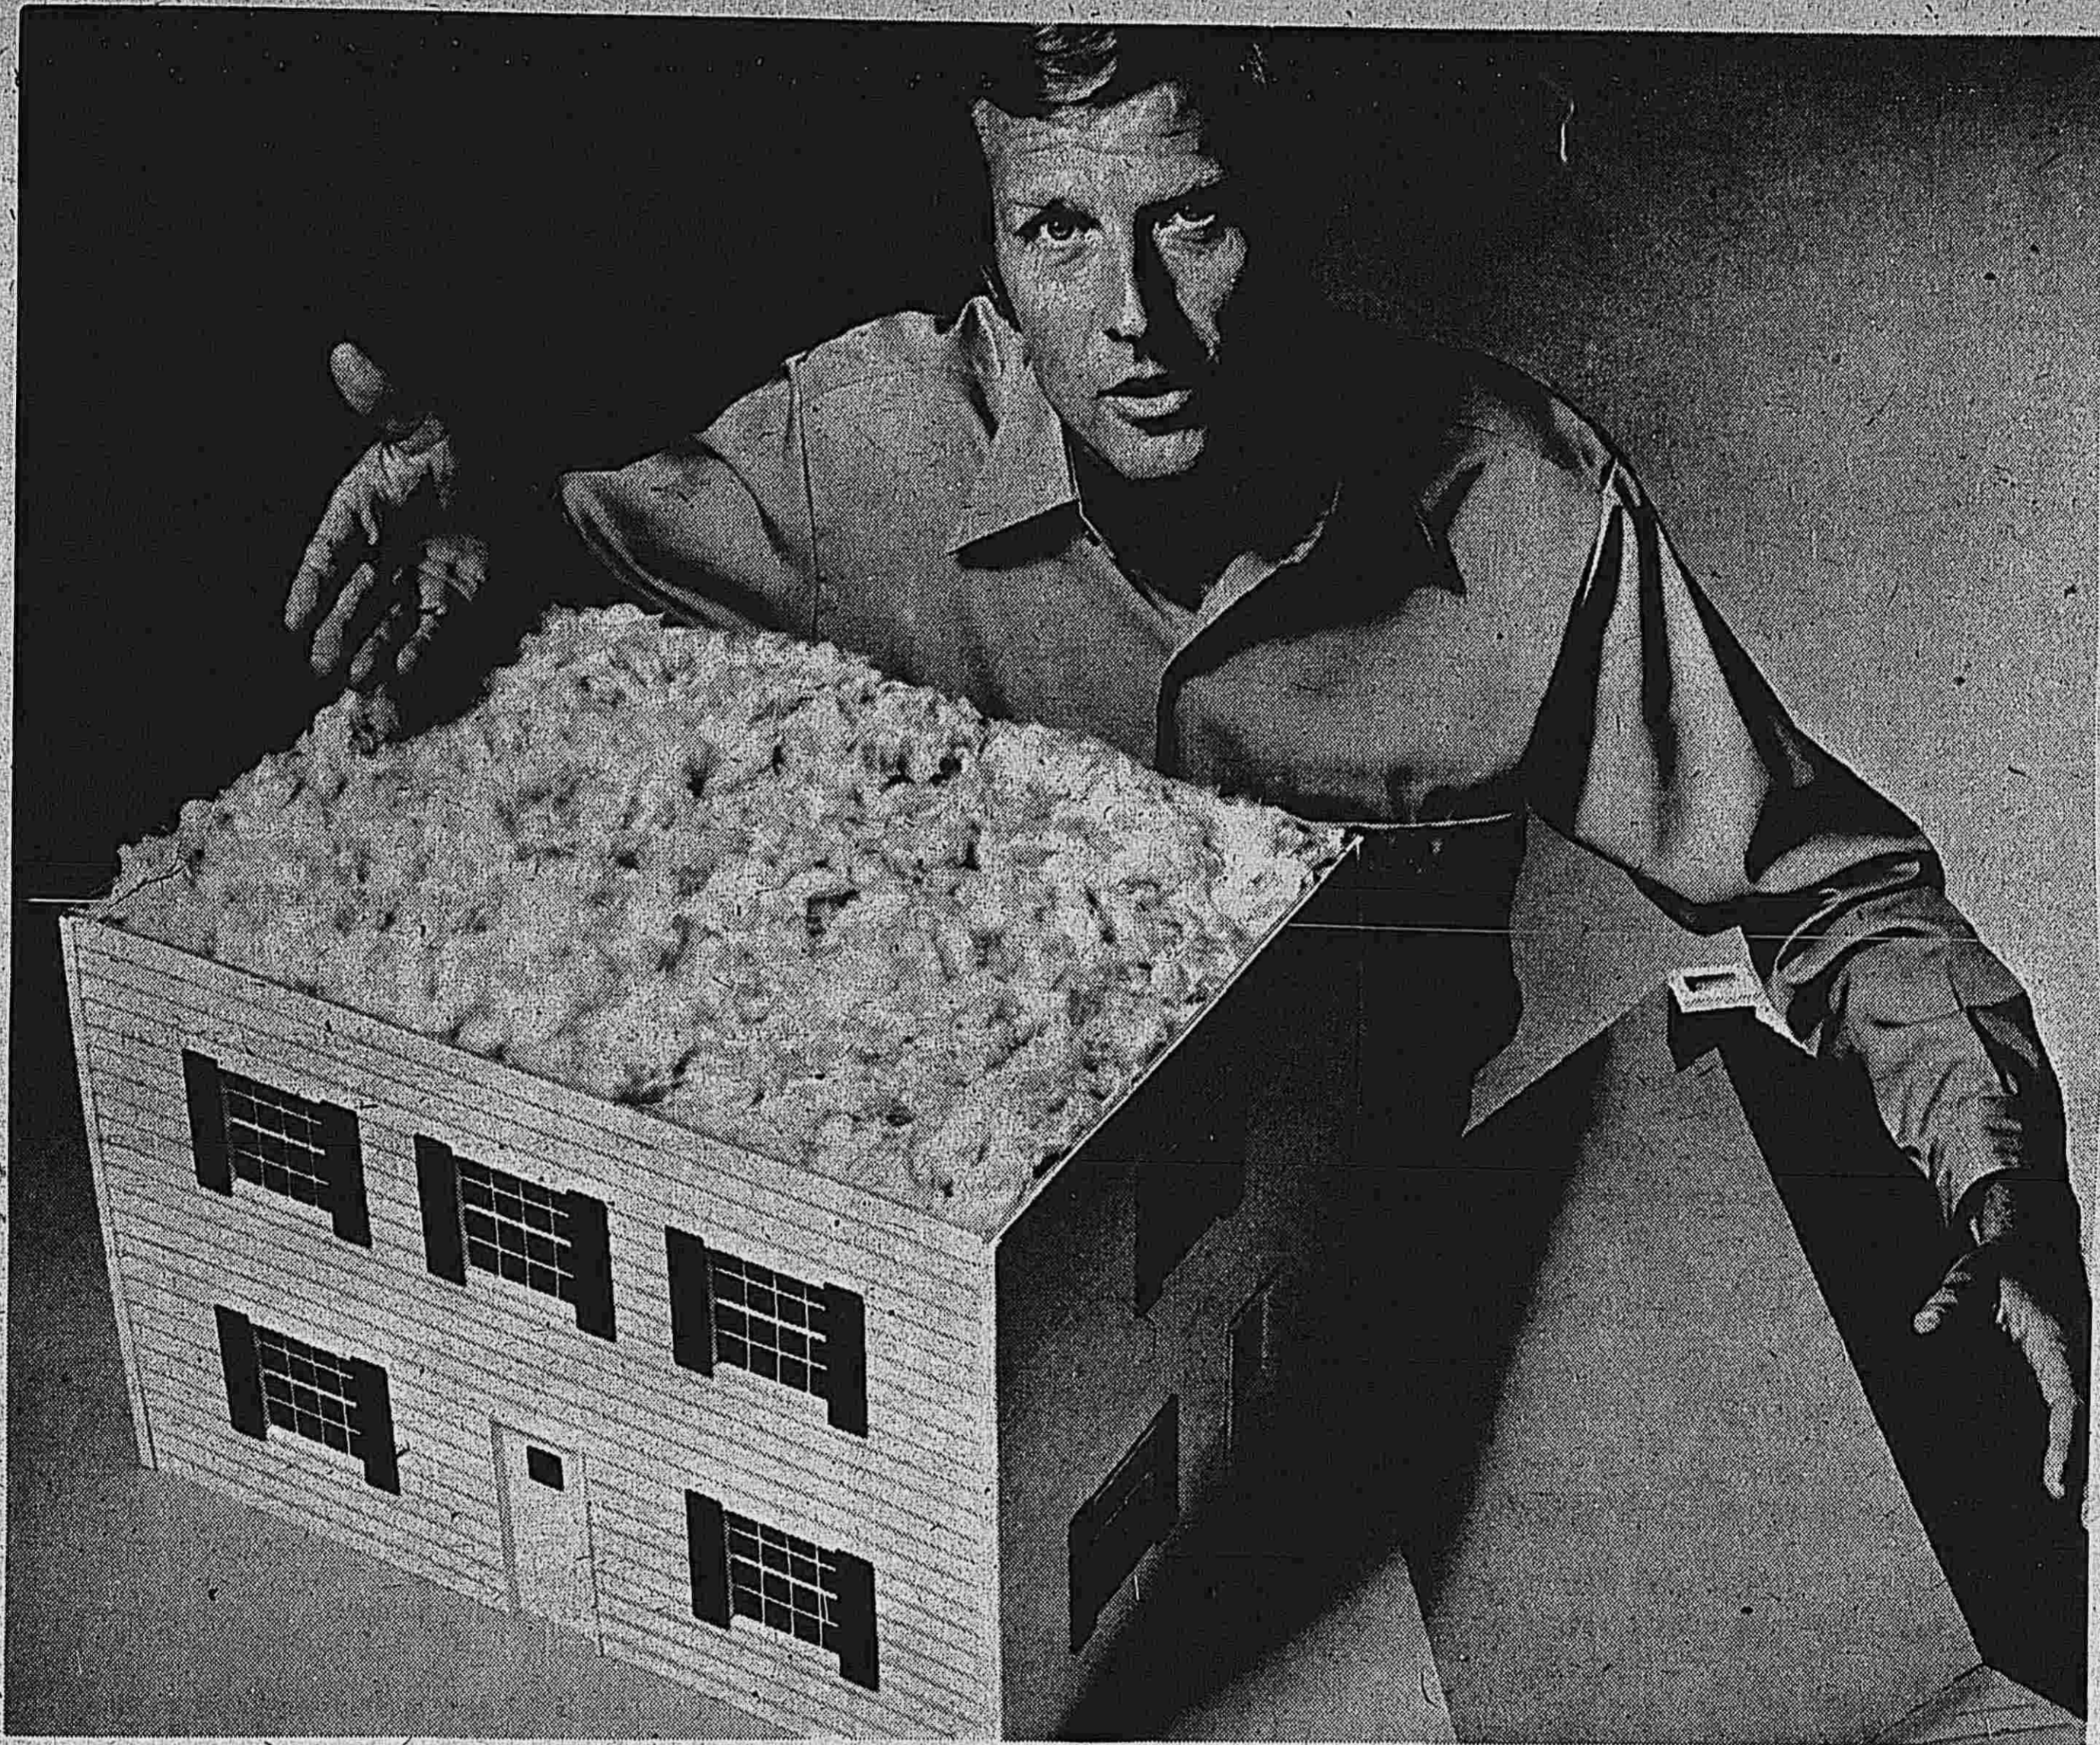

specially-created 12-minute film with Lorne Greene in the starring role. Produced by Kodak in cooperation with the National Park Service, the film depicts Washington's role in his own era and his continuing influence throughout the nation's history.

The theatre facility will also

have a photo information center, staffed by trained personnel who will provide assistance and photographic information to visitors.

The formal opening of the one-story, 8,000-square-foot building is scheduled about April 1, 1976.

A special offer that can save you up to 30% on heating and cooling costs.

NI-Gas will insulate your ceiling and give you up to 3 years to pay.

Part of the cost of heating your home may be going right through the ceiling. Because your ceiling is inadequately insulated.

If you are a NI-Gas residential heating customer, a NI-Gas Insulation contractor will inspect your attic free. If it needs insulation, our contractor will recommend the amount and tell you what it will cost.

Then, if you agree, he'll install the amount of blown fiber glass insulation you select.

Installation is quick, quiet, clean. And you start enjoying the benefits immediately: a more comfortable home, winter and summer, and up to 30% savings on heating and cooling costs. Not just this year, but for as long as you own your home.

When installation is complete, you have 30 days to pay NI-Gas the full amount. Or you can use our convenient

financing plan and take up to 3 years to pay at an annual percentage rate of 15%. Typical example: If an installation is made for a cash price of \$200 and is paid for over 18 months at the annual percentage rate of 15%, you would make 17 monthly payments of \$12.48 each, and a final payment of \$12.43 for a total deferred payment price of \$224.59. The terms would, of course, vary depending on the cost of the installation, and the period over which payment is made. No down payment would be required; however, the maximum cash price amount which would be financed is \$500, and the required minimum monthly payment is \$10.00.

The availability of financing in any individual case is subject to credit approval by NI-Gas.

This offer expires April 30, 1976. So mail the coupon now. The sooner you do, the sooner you start to save energy and money.

The Job Problem

"In any serious search for noninflationary measures to reduce unemployment, governmental policies that affect labor markets have to be reviewed. For example, the Federal minimum wage law is still pricing many teenagers out of the job market. The Davis-Bacon Act continues to escalate construction costs and damage the depressed construction industry. Programs for unemployment compensation now provide benefits on such a generous scale that they may be blunting incentives to work. Even in today's environment, with about 8 per cent of the labor force unemployed, there are numerous job vacancies—perhaps because job seekers are unaware of the opportunities, or because the skills of the unemployed are not suitable, or for other reasons. Surely, better results could be achieved with more effective job banks, more realistic training programs, and other labor market policies."

Fractured Basketball

Basketball isn't necessarily supposed to be a contact sport, but a lot of players were making contact with the floor last Friday night when Antioch played Grant here.

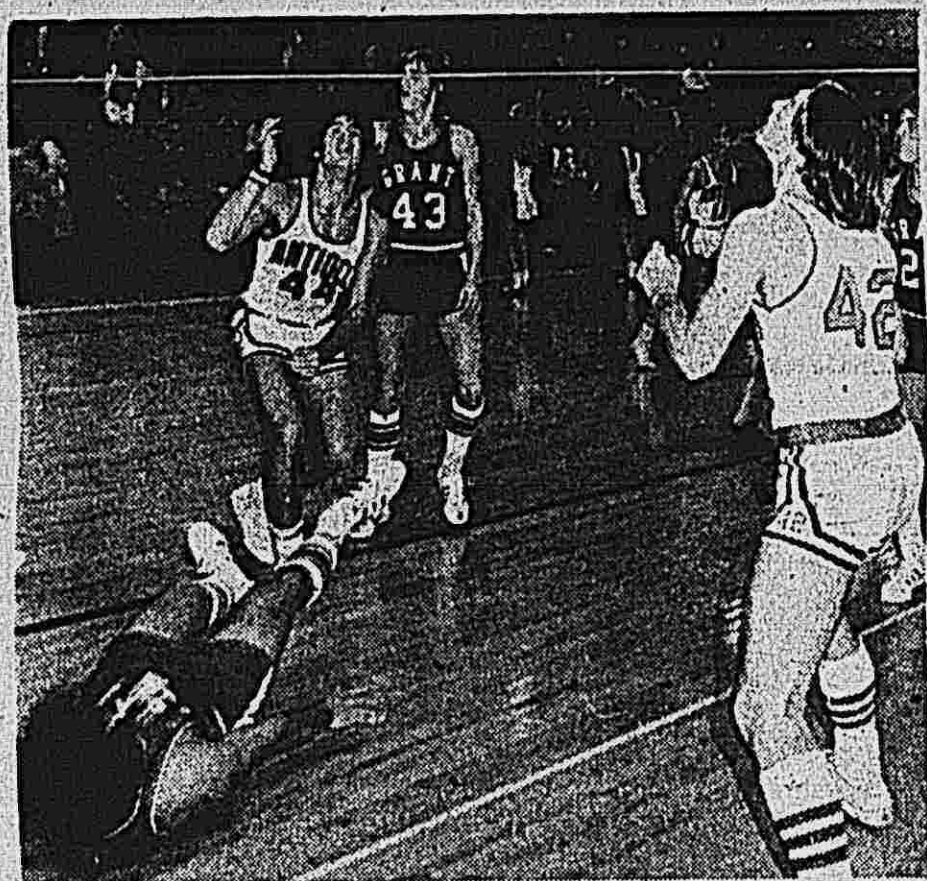

Our photographer didn't realize it when he was shooting the game, but when he got to the darkroom and began printing his pictures he found players sprawling all over the place.

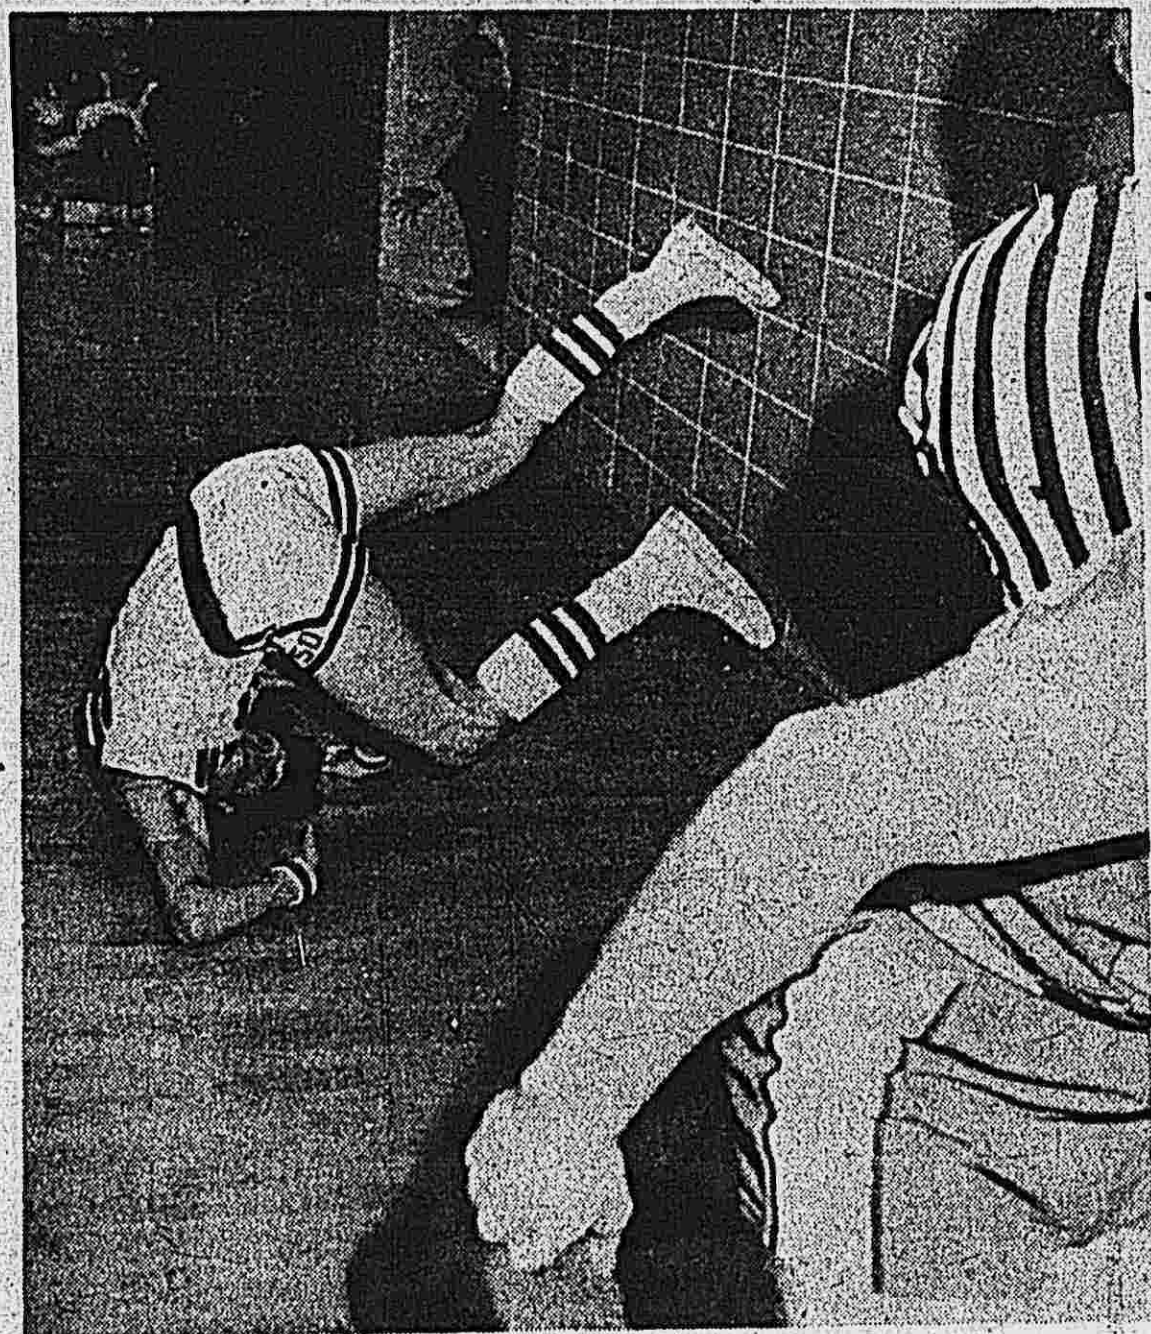

"Careful, don't step on me!"

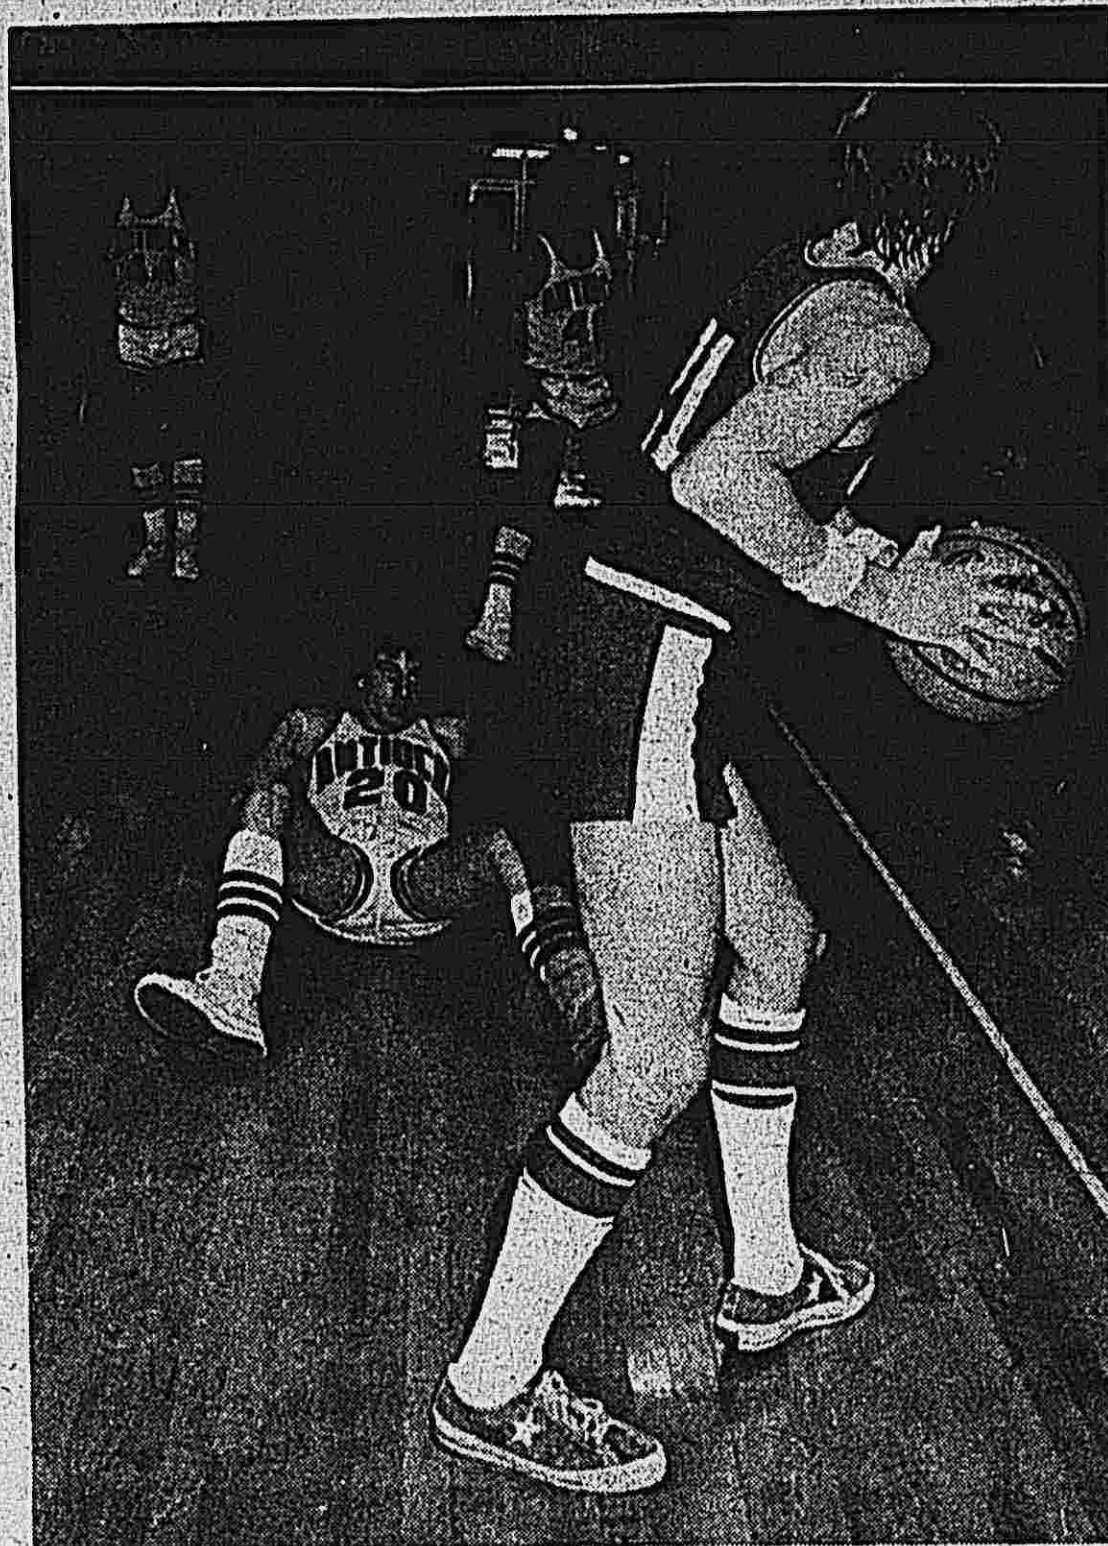

"Sorry, just lost my head."

Skidding along on his back.

"Don't remember rehearsing this in practice."

"Watch out, I'm still guarding you."

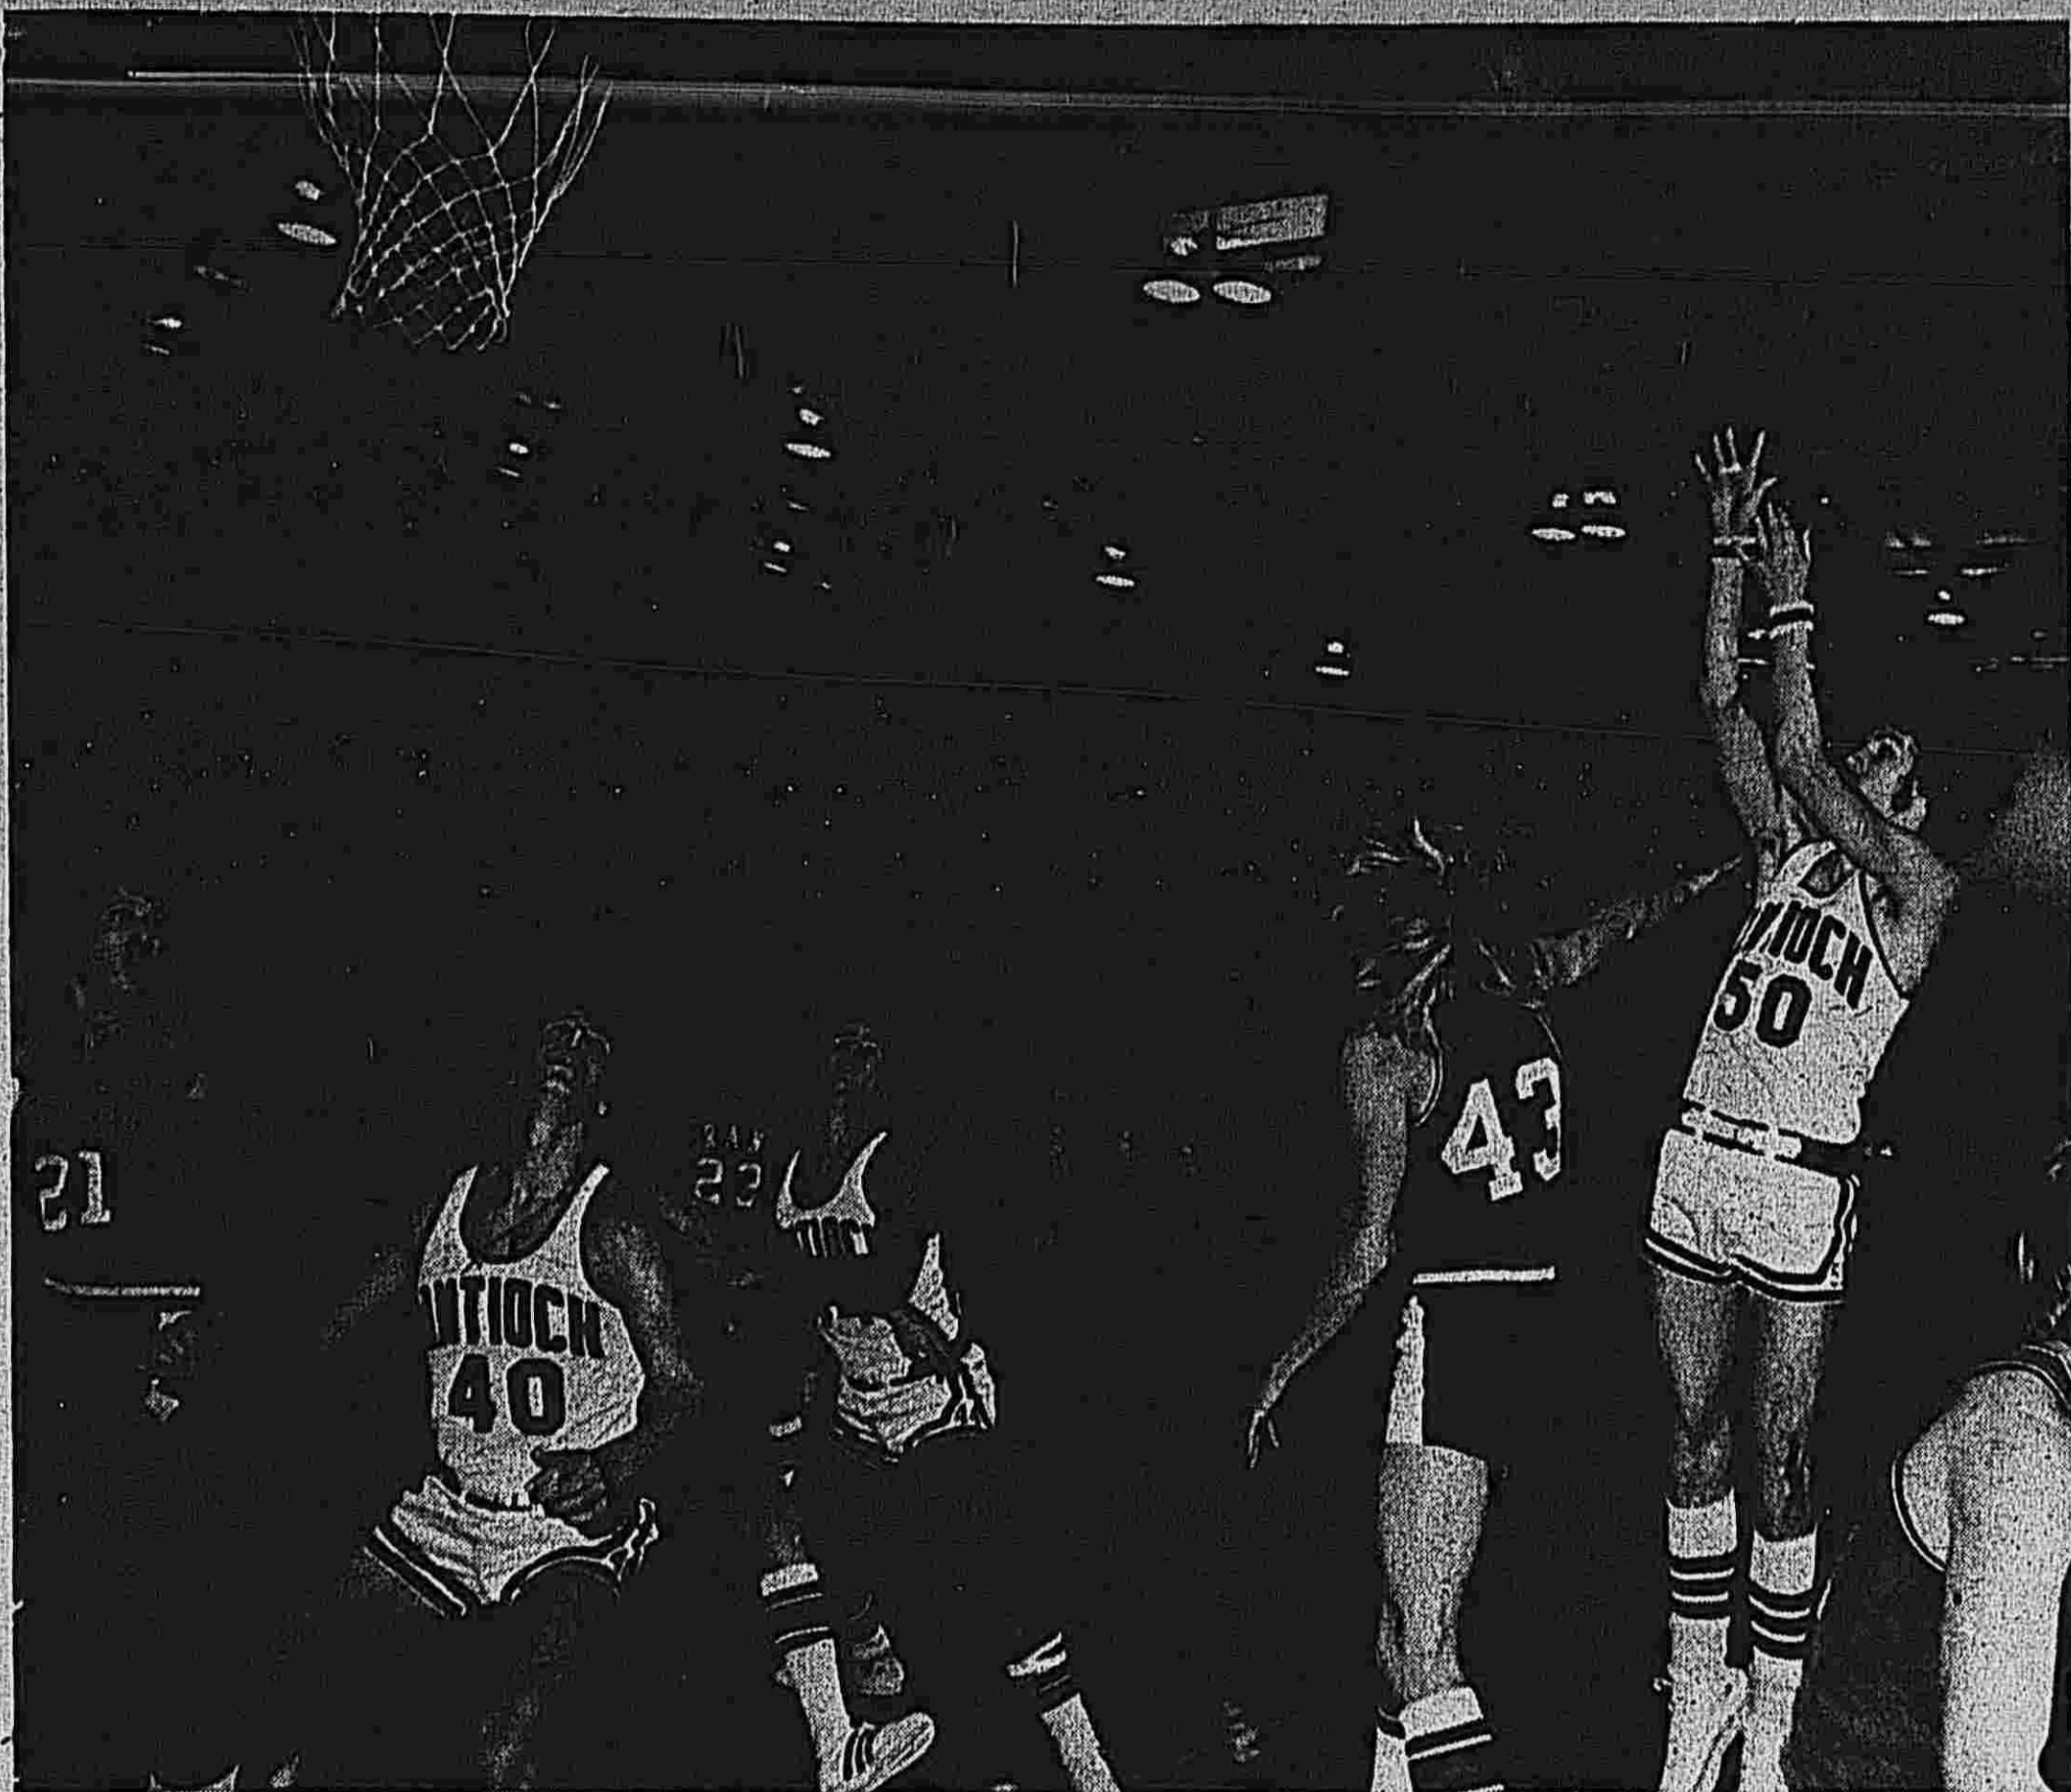

Allendale Basketball

In the men's recreational basketball league at the Allendale School for Boys in Lake Villa, the Teachers beat the St. Therese Saints, 110-69, and Dutch and Suds edged out the Fudpuckers, 73-51.

In the last game of the evening, Allendale's Turkeys

continued their winning streak and beat Sorenson's, 65-59. League standings, prior to last night, were:

Dutch and Suds, 3-0; Allendale, 2-0; Teachers, 2-1; Fudpuckers, 1-1; Sorenson's, 1-2; Avon, 1-2; St. Therese Saints, 0-3.

Antioch Squelches Grant's Upset Try

By MIKE WITT

DEFENSE! They say the name of the game is defense, and Antioch showed why in its conference opener Friday night.

Although the Sequoits managed only 19 points in the first half, a tenacious, half-court press in the second quarter forced the Grant Bulldogs into numerous turnovers and very poor shooting. This kept the Sequoits within five points at halftime, 23-19.

The Bulldogs, no doubt remembering last year's 51-point humiliation, came out "fired" in the first quarter to take an 11-6 lead. The score was

due mostly to the Sequoits' inability to hit their open shots.

IN THE second quarter, substitutes Tom McAvoy, Tom Gutowski and Mitch Witt sparked the lifeless Sequoits, and checked the Grant momentum. McAvoy's defense, Gutowski's hustle, and Witt's all-around play shifted the momentum to Antioch's side for the second half.

A combination of George Ferguson foul trouble, and a combined 0-14 shooting performance by Scott Kimball and Jon Bodin in the first half kept the Sequoits' offense immobile.

THE THIRD quarter was nip and tuck with both teams

ANTIOCH'S GEORGE FERGUSON (50) gets off a shot in the Sequoits' 53-46 win over Grant. Bob Dubek (40) and others crowd around in case there's a rebound.

trading baskets, but a beautiful tip-in shot by Witt with 1:32 remaining put Antioch ahead for the first time in the game and there to stay. Antioch finished the third quarter strongly on two free throws by Dubek, and a three-point play by Kimball, but a last second Grant basket left Antioch ahead by only 32-29.

Consistent scoring by Kimball (some super moves) and Dubek, and some sharp passing from junior Pat Houghton kept them ahead by 5 to 10 points throughout the last quarter. The Sequoits withstood a last minute rally on Grant's part, and came out with a 53-46 victory.

Although Antioch was outscored 21-14 from the field due to a 30 percent shooting night

Grayslake Is Next Foe For Antioch

Antioch High's basketball team goes after its second conference victory Friday night, playing at Grayslake at 8 o'clock.

Grayslake was defeated in its opener by Woodstock last week. The Rams have three starters returning, including all-conference Mark McClain and a 6-foot-8-inch junior center.

Grayslake has a scrappy team and the Sequoits are expected to have their hands full. Antioch will be trying to avenge its only conference loss in the last two years.

On Saturday night, at 8 o'clock, the Sequoits will visit a tough McHenry team. The non-conference test will give an indication of how far this year's Antioch team has progressed.

McHenry beat Grant 73-62 last Saturday after Antioch had beaten Grant by seven points the preceding night.

After coming from behind to beat Grant here last Friday, the Sequoits have a 3-1 record for

Please turn to page 35

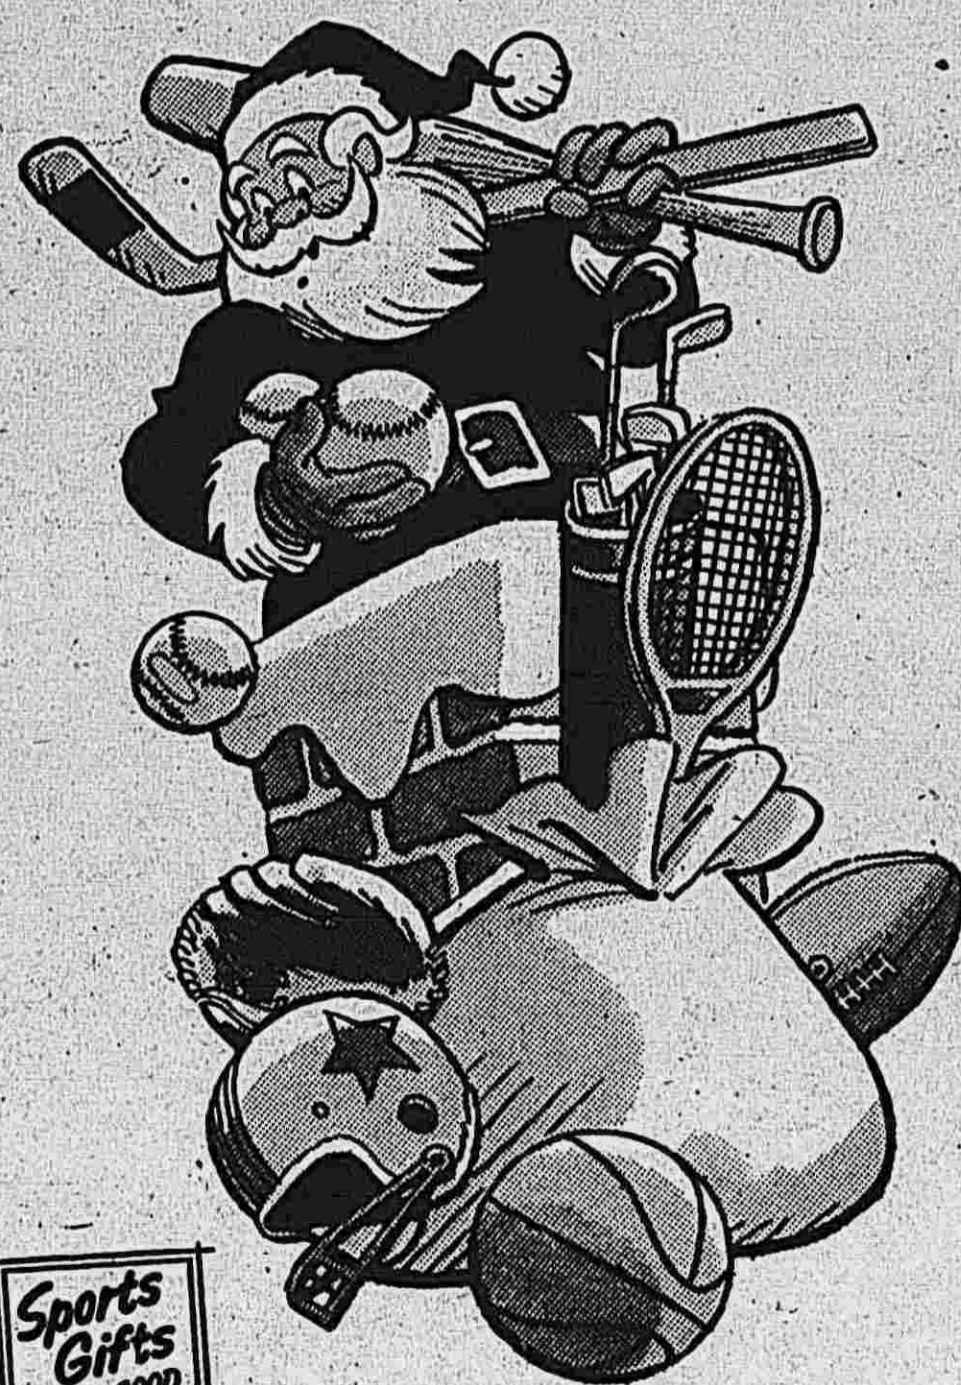

JV Wrestlers Win and Lose

Antioch wrestling has taken a new twist this season with additional emphasis on the Junior Varsity program. N.W.S.C. varsity coaches have voted to change wrestling competition to the following levels: varsity, junior-varsity I, freshmen, and junior-varsity II. The reason for the move away from the sophomore wrestling team as the second level of competition is that the junior-varsity I team allows the second best wrestler to compete against the second best wrestler from the other school. This concept assures the toughest competition for the second best wrestler in the program which in turn adds to a more experienced varsity team for the future.

The J.V. I team has currently compiled a 3-0-1 record with a 28-27 victory over Mundelein, a 36-24 win over Zion and a 44-12 trashing of Wauconda. The tie match was 18-18 with the Grant Bulldogs last Friday at Fox Lake. The J.V. II team is still looking for a victory in the young season. Leading the J.V. wrestlers with perfect records thus far are: Bob Gossman 2-0, Rich Whitton 4-0, Wayne Blake 3-0, Keith Kaht 4-0 and Jeff Gross 3-0.

The J.V. wrestlers will wrestle the Grayslake Rams at Antioch this Friday, Dec. 12, beginning at 6:45 p.m. On Saturday, Dec. 13 the J.V.'s will wrestle in the Buffalo Grove Tournament at Buffalo Grove High School beginning at 10 a.m.

GLEN NORDSTROM of Antioch, on top, works to pin his Wauconda opponent while the referee gets in a position to observe Nordstrom's progress. Antioch High's wrestlers will tangle with Grayslake here Friday night.

Antioch Wrestles Grayslake Friday

After losing a thriller to Grant 26-23 last Friday, Antioch High School's wrestlers came back Saturday with a surprisingly easy 39-7 victory over Wauconda here.

The Antioch varsity will enter a four-team tournament Saturday at Glenbrook North, the Central Suburban Conference champion.

The field also includes Gordon Tech, Catholic League champion, and Buffalo Grove. All four teams won district titles last year so the competition should be tough.

Before going to Glenbrook North Saturday, Antioch will entertain Grayslake Friday night. Grayslake won the Northwest Suburban Conference title last year, edging Antioch in the process. The Sequoits will seek revenge here Friday, beginning at 6:45 p.m.

SATURDAY'S WIN over Wauconda saw the Sequoits winning 10 of the 12 matches and running up a 33-0 lead before the visitors could win a match.

The meet was broadcast over WKRS-radio and Antioch's

assistant coach, Steve Wapon, did much of the color commentary.

"Steve may soon be a serious threat to Howard Cosell," observed head coach Ted DeRousse.

"If you enjoyed the broadcast, please call WKRS and express your opinion," DeRousse said. "This was the first high school wrestling match ever broadcast in Lake County and a positive response will encourage more radio coverage. Our thanks go to the Gilded Cage and the Hobby Barn, who co-sponsored the program."

IN FRIDAY'S action at Grant, it was a see-saw battle with Grant winning the final match on a fall to regain the lead and win by 26-23.

The meet began with Tom Dye making his first start of the year for Antioch at 98 pounds and scoring a takedown before he was reversed and pinned.

Antioch tied the meet at 6-6 with Bob Gossman's victory at 105 pounds, then won the next three weights and tied one to

THE TEA GIVES BODY TO THE PUNCH WITHOUT MASKING THE OTHER FLAVORS AND IT ACTS AS A STRETCHER TO MORE EXPENSIVE INGREDIENTS.

New Massey Snowmobiles: Excitement engineering by the sled full.

Come in and take a look at three great new Massey snowmobiles for 1976, and you'll know what we mean by excitement engineering.

These Masseys are loaded with innovative new ideas that will add to your snowmobiling excitement this year—in terms of performance, handling, dependability and comfort.

There's the CYCLONE, the big performance cross-country competitor... CHINOOK, the economical compact... and WHIRLWIND, the exciting all-around sports machine with an unbelievable ride.

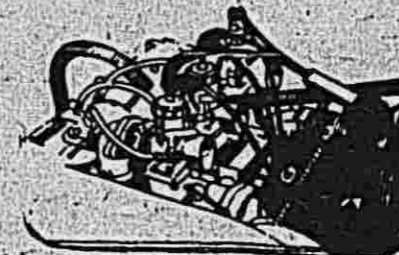

Each new Massey snowmobile has an aluminum alloy tunnel. It eliminates rust and corrosion problems while contributing to the superior power-to-weight ratio offered by all the new Masseys.

Then there's the patented Para-Rail suspension on the Whirlwind. Para-Rail settles the argument between bogle and slide by providing the best of both. You get the ride and performance of a slide and the marginal snow versatility of a bogle.

Rail-mounted wheels act as a single unit, working with a double-acting rear shock to give you a ride that's comfortable as well as extremely stable. And a unique "torque transfer system" puts sled weight to the rear for extra track contact during acceleration, then moves the weight forward for better handling and a smooth ride at higher speeds.

Another significant innovation is the Broton liquid-cooled engine in Massey Cyclone models. This proven engine is a performance power plant, with both two-cylinder and three-cylinder models offering a Mikuni slide carburetor for each cylinder. Engine coolant is cooled by snow in a tunnel-mounted heat exchanger.

All new Massey snowmobiles offer a great new torque and speed sensing clutch system that delivers an outstanding percentage of horsepower to the track, without the banging noises often associated with snowmobile clutches.

A tuned exhaust system on all three machines helps you get the most from every drop of fuel, thanks to a scavenging effect that creates extra torque and higher rpm's. Quiet, too!

There's more to the Massey snowmobile story, as you'll discover when you come in. We've got service know-how, we have parts in stock, and we offer MF financing if you desire.

When you look at excitement engineering, and what we offer to back it up, you'll go Massey this year.

THE WINDS FROM MASSEY

Soph Cagers Trim Grant

Antioch's Sophomore basketball team evened its record at 2 wins and 2 losses over the weekend with a 58 to 42 win over Grant. It was the first conference game for both teams.

Antioch took a first quarter lead of 16 to 6 and continued to carry a 12 to 16 point lead throughout the game.

Thirteen players played for Antioch with eight scoring.

Tom Huebner led with 12 points, followed by Bill Dubek, 10; Tim Huebner, 10; Brian Andrews, 8; Al Roth, 6; Tracy Sodman, 6; John Eder, 4 and Dennis Korjenek, 2.

In the Sophomore "B" game, Antioch defeated Grant 58 to 30.

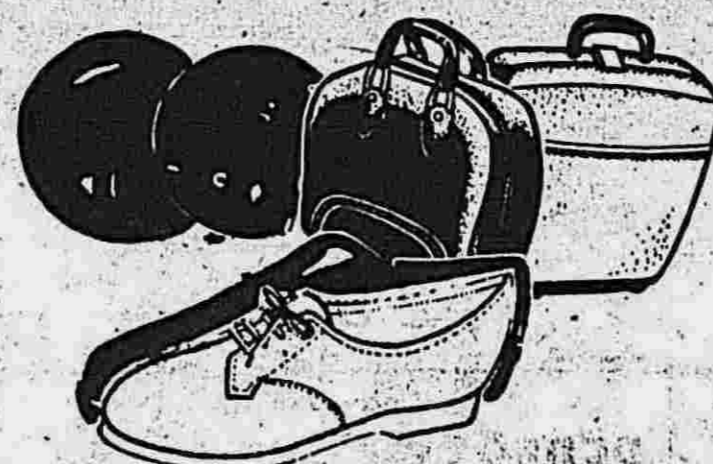

The sophs travel to Grayslake Friday and to McHenry Saturday. Game time both evenings is 6:45 p.m.

Obituaries

MR. GERALD V. CARNEY, 48, of Rt. 2, Kenosha, Wis. passed away on Tuesday, Dec. 2 at Kenosha Memorial Hospital from a heart attack. He was born May 2, 1927 in Antioch Township and moved to Bristol Township, Wis. in 1949.

He holds membership in the St. Scholastica Catholic Church at Bristol, and Local No. 152 of the Laborers Union in Highland Park. For the past five years he has owned and operated the "State Line Blacktopping" business.

Survivors are his wife Ruth, one son Gerald M., three daughters, Kathleen, Janet, and Linda Lee, all at home, one brother and four sisters.

A funeral mass was held Dec. 5th at St. Scholastica Church, Bristol, Wis. Interment was in St. Scholastica Cemetery.

Two-year colleges accounted for nearly three-fifths of the 500 new colleges established in the U.S. during the 1960's.

Antioch Squelches Grant

Continued from page 31

(14 out of 45), free throw shooting and rebounding gave the Sequoits the game. A fantastic 25 out of 29 line performance led by Kimball's 9-11 effort, and 31-20 rebounding edge with Kimball and Dubek grabbing 11 and 8, proved to be a winning combination.

But the real advantage Antioch had was having Bob Dubek on its side. He scored 17 points, contributed 8 rebounds, hustled on both ends of the court, and had eight recoveries (one short of the school record set last year). Kimball led all scoring with 19 points.

GOOD DEFENSE held Grant to a mere 46 points, and their

Sequoits Wrestle

Continued from page 32

make the score: Antioch 17, Grant 8.

Grant then won four matches in a row to assume a 20-17 lead before 185-pounder Dick Kessler scored a fall which put Antioch ahead 23-20. But

Grant's Mark Meisgier scored a fall in the heavy weight class to turn it around again.

LAKEVIEW HIGH of Chicago brought its junior varsity and "B" teams here last Saturday, giving many Antioch wrestlers their first chance to see action this season.

Grayslake Is Next Foe

Continued from page 31

the season and are 1-0 in the conference.

AFTER THE Grant game, the Antioch coaching staff selected Bob Dubek to receive the trophy as "outstanding player of the game." The trophy is presented by Four Squires clothing store after all home games.

Coach Roger Andrews said Dubek played a "super game," scoring 17 points, making eight recoveries and pulling down

eight rebounds.

"Our team defense was very good and we had some good rebounding," Andrews said. "We also had very good foul line shooting." Dubek made 7 of 8 from the foul line and Scott Kimball 9 out of 11. That accuracy made a big difference in the outcome.

Andrews said Kimball played "real good in the second half, and the players off the bench did a good job, especially Pat Houghton and Mike Witt."

"There is need for improvement," the coach said. "We only made four of 25 field goal attempts in the first half against Grant. We also can improve our play making and general pass selection. More hustle will help, too."

The Sequoits are going after their third straight conference championship.

high-scoring star, Kevin Kelly, to six points.

The Sequoits were due to put it together, and that they did in the last half. They played defense, opened the inside game for Kimball and Dubek, and were supported by good bench play for the first time this year.

Like Coach Roger Andrews said, "We expected a good game, and we got it."

Restorations

Your cherished memories don't have to stay tucked away in that attic trunk or in the old family album you pored over as a child. They can be made to glow again ... in an honored place in your home or as a gift to someone dear.

Lakeside Rebekah Lodge

The Dec. 3 meeting of Lakeside Lodge was degree night.

Initiated and welcomed as new members were Zerha Felter and Carolyn Schroeder.

Officers for the next year were elected: Shirley Glenn, noble grand; Ida Wysoglad, vice grand; Clare Horton, recording secretary; Lorna Buchart, treasurer, and Mary Ellis, financial secretary.

The next meeting, Dec. 17, will be a Christmas party with a potluck dinner at 6 p.m. for members and their families at the Legion hall.
